

Associations Incorporation (Fees) Determination 2013

Disallowable instrument DI2013-101

made under the

Associations Incorporation Act 1991, s 125 (Determination of fees)

EXPLANATORY STATEMENT

The Minister has power to determine fees for the purposes of this Act.

Fees in the 2013-14 Financial Year have been generally increased from fees in the previous Financial Year by a Wage Price Index (WPI) forecast of 3% and rounded to an appropriate value.

Note that the opportunity has been taken to correct a typographical error in item 101 (a reference to “\$5,00” has been corrected to “\$5,000”). This will have no practical effect, as only associations whose revenue for the year covered by the annual return is \$5,000 or more have paid the fee.

While determining fees under the Act, the purpose of this determination is to give better access to users. The fees for the 2013-14 Financial Year were originally set by an omnibus instrument (DI 2012-110). That instrument has been replaced to provide users with better access to fee information within the structure of the Legislation Register. Item numbers, included in the schedule, column 2, enable the comparison of past fees set under the Act with those set by this instrument.

The instrument contains further explanatory notes about the fee for various items in the past Financial Year.
