# Civil Law (Wrongs) (Fees) Determination 2014

**Disallowable instrument DI2014-110**

made under the

***Civil Law (Wrongs) Act 2002, s 222A (Determination of fees)***

## **EXPLANATORY STATEMENT**

---

Section 222A of the *Civil Law (Wrongs) Act 2002* (the Act) permits the Minister to determine fees for the purposes of the Act.

The purpose of this determination is to revoke Disallowable Instrument DI 2013-103 which set fees for the 2013-14 financial year and to determine fees for the 2014-15 financial year.

Fees for the 2014-15 Financial Year remain the same as last financial year. No increase has applied to these fees as the Professional Standards Agreement, to which the ACT Government is a party, specifies that fees under the Act will remain in parity with the fees set by New South Wales.
