Animal Diseases (Fees) Determination 2014 (No 1)

Disallowable Instrument DI2014-167

made under the

***Animal Diseases Act 2005*, Section 88 – Determination of fees**

EXPLANATORY STATEMENT

Section 88 of the *Animal Diseases Act 2005* (the Act) permits the Minister to determine fees for the purposes of the Act.

This determination revokes the previous fee determination (DI 2013–75) that set fees for the 2013-2014 financial year and establishes fees from 1 July 2014.

The determination only sets a fee for the issuing of NLIS devices (as defined in the *Animal Diseases Regulation 2006*) in emergency circumstances. In normal circumstances the issuing and recording of NLIS devices is a commercial transaction between the supplier of the device and the person requiring the device and no fee is required to be set under the Act.

The determination increases fees by 4% taking into consideration rounding for cash handling purposes.

The determination takes effect on 1 July 2014.
