ROAD TRANSPORT (GENERAL) REVOCATION OF INSTRUMENTS FOR TRAFFIC MARSHALS 2003

DISALLOWABLE INSTRUMENT DI2003-87

EXPLANATORY STATEMENT

The instrument revokes 2 instruments relating to the appointment of traffic marshals. Traffic marshals direct traffic at road works, and at sporting and other events involving road closures or interruptions to traffic or where directions need to be given to drivers for the parking of vehicles.

Instrument DI 2002-232 revoked instrument no 371 of 2000 dated 11 December 2000. It was expressed to commence on the commencement of regulation 10 of the *Road Transport Legislation Amendment Regulations 2002*. However, it should have referred to regulation 10 of the *Road Transport Legislation Amendment Regulations 2002 (No 2)*.

The instrument revokes instrument no 371 of 2000 to remove any doubt about its status and also revokes instrument DI 2002-232 which is now spent.
