# Public Place Names (Phillip) Determination 2014 (No 1)

**Disallowable Instrument DI2014–302**

made under the

**Public Place Names Act 1989 — section 3 (Minister to determine names)**

## EXPLANATORY STATEMENT

---

The *Public Place Names Act 1989* provides for the naming of divisions and public places and, in particular, section 3 empowers the Minister to determine the name of a division or public place in writing. A determination is a disallowable instrument and must be notified in the ACT Legislation Register.

Pursuant to section 254A of the *Legislation Act 2001*, the Minister has delegated the power under the *Public Place Names Act 1989* to name a division or public place to delegated officers of the Environment and Planning Directorate.

This instrument determines the name of one road in the Division of Phillip as specified in the schedule and associated plan. The theme for the naming of public places in Phillip is names associated with the First, Second and Third Fleets.

The associated plan illustrates the new road in the north of Section 9 Phillip, realignment of Corinna Street and the extension of Corinna Street to the east to provide a link with Furzer Street.

The number of women and men after whom divisions or public places have been named in the last 10 years, and whether the names of women are well represented, has been considered as required by the *Public Place Names Act 1989*.

This instrument commemorates one woman and one man.
