Tobacco (Compliance Testing Procedures) Revocation 2015 (No 1)

Disallowable instrument DI2015-211

made under the

Tobacco Act 1927, s 42D (Approval of compliance testing procedures)

EXPLANATORY STATEMENT

This instrument revokes the *Tobacco (Compliance Testing Procedures) Approval 2011 (No 1)* DI2011-194. It was identified that the instrument had not been revoked on the making of the *Tobacco (Compliance Testing Procedures) Approval 2014 (No 1)* DI2014-308. Although DI2011-194 was impliedly repealed by DI2014-308, it was thought appropriate to formally revoke the 2011 instrument.
