

# Electricity Feed-in (Renewable Energy Premium) Registered Rural Block 1470 Tuggeranong Total Capacity Determination 2015 (No 1)

Disallowable Instrument DI2015–313

made under the

Electricity Feed-in (Renewable Energy Premium) Act 2008, s 5E (meaning of compliant)

## EXPLANATORY STATEMENT

---

### General explanatory information

The instrument, *Electricity Feed-in (Renewable Energy Premium) Registered Rural Block 1470 Tuggeranong Total Capacity Determination 2015 (No 1)*, determines that, under section 5E(2) of the *Electricity Feed-in (Renewable Energy Premium) Act 2008* (the Act), the total renewable energy generators capacity that can be installed at Registered Rural Block 1470 District of Tuggeranong is 11.18MW(DC) including the total capacity for medium scale renewable energy generators of 3.6MW(DC). This determination is necessary because sub-sections 5E(1)(c)(i) and (ii) of the Act provide that the maximum compliant capacity under the Act is 200kW unless the Minister determines another capacity under section 5E(2).

A Regulatory Impact Statement is not required for this Determination because, under subsection 36 (1) (b) of the *Legislation Act 2001* it does not operate to the disadvantage of anyone by adversely affecting the person's rights or imposing liabilities on the person.

### Explanation of sections of instrument
