

Births, Deaths and Marriages Registration (Fees) Determination 2016 (No 2)

Disallowable instrument DI2016-247

made under the

Births, Deaths and Marriages Registration Act 1997, s 67 (Determination of fees)

EXPLANATORY STATEMENT

The Minister has power to determine fees for the purposes of this Act.

The instrument repeals the previous fee determination. The only change from the previous fee determination is the inclusion of a fee for the application for a recognised details certificate. An application for a recognised details certificate can be made under s29A of the *Births, Deaths and Marriages Registration Act 1997* (The BDMR Act). The fee for this application is in line with the fee in item 118. A second fee will be charged for the provision of a certificate (item 121). This process is in line with the current practise for applications and certificates for a change of sex under s24 of the BDMR Act.
