# Domestic Animals (Fees) Determination 2018 (No 2)

**Disallowable Instrument DI2018-175**

made under the

**Domestic Animals Act 2000, Section 144 (Determination of fees)**

## EXPLANATORY STATEMENT

---

Section 144 of the *Domestic Animals Act 2000* (the Act) provides that the Minister may determine fees for the Act.

The determination takes effect on 1 July 2018.

### *Indexed Fees*

This determination provides for increases to fees for the 2018-19 financial year.

Where this determination increases fees from those contained in the Domestic Animals (Fees) Determination 2018 (No 1) DI2018-77, it does so by an increase of 4%, rounded for cash handling and other purposes. This can be identified by a comparison between column 4 and column 5 of Schedule 1.

A number of fees have not been increased. The relevant fees have not been increased because they are new fees only introduced on 30 April 2018 as a result of changes to the *Domestic Animal Act 2000*. The fees relate to the management of greyhounds under the Act.

### *Revocation*

This determination revokes the Domestic Animals (Fees) Determination 2018 (No 1) DI2018-77.
