Land Titles (Fees) Determination 2018

Disallowable instrument DI2018-189

made under the

Land Titles Act 1925, s 139 (Determination of fees, charges and other amounts)

EXPLANATORY STATEMENT

The Minister has power to determine fees for the purposes of this Act.

Fees in the 2018-19 financial year have been increased from fees in the previous financial year by indexation of 4%. Calculations are rounded down to the nearest dollar, with the exception of fees that have remained static for over three years, in which case calculations are rounded up to the nearest dollar.

Column 2 includes information about the fee in the 2017-18 financial year to enable a comparison of with those set by this instrument.

This instrument no longer sets a fee for an application to register a revocation of a power of attorney, which was provided in item 154 of the previous instrument. This is because a revocation of a power of attorney is now done as a registration of a deed under section 8 of the *Registration of Deeds Act 1957*.
