

Climate Change and Greenhouse Gas Reduction (Climate Change Council Member) Appointment 2019 (No 5)

Disallowable instrument DI2019 – 155

made under the

Climate Change and Greenhouse Gas Reduction Act 2010, s 20 (Membership)

EXPLANATORY STATEMENT

Introduction

This explanatory statement relates to the *Climate Change and Greenhouse Gas Reduction (Climate Change Council Member) Appointment 2019 (No 5)* as presented to the Legislative Assembly. It has been prepared in order to assist the reader of the disallowable instrument and to help inform debate on it. It does not form part of the disallowable instrument and has not been endorsed by the Assembly.

The Statement must be read in conjunction with the disallowable instrument. It is not, and is not meant to be, a comprehensive description of the disallowable instrument. What is said about a provision is not to be taken as an authoritative guide to the meaning of a provision, this being a task for the courts.

Overview

The *Climate Change and Greenhouse Gas Reduction Act 2010* (the Act) section 20 (Membership) provides for the appointment to the ACT Climate Change Council (Council) of suitably qualified members of the community to provide advice to the Minister on matters relating to the reduction of greenhouse gas emissions and adaptation to climate change. The appointment for the non-public employee members of the Council is by way of a disallowable instrument which must be notified on the Legislation Register and tabled in the Legislative Assembly under the *Legislation Act 2001* (Legislation Act).

Section 20(3) of the Act provides that the Minister may appoint a person as a member to the Council only if satisfied that the person is committed to addressing climate change and has knowledge and experience in an area relevant to the operation of the Act.

Appointment

The disallowable instrument appoints Ms Karen Jesson as a member of the Council. Ms Jesson is not a public servant. Ms Jesson is appointed for the period 1 July 2019 until 30 June 2022.

Ms Jesson is the Community Development Manager with Communities@Work. She has over 11 years' experience in Community Development (CD) and works with a variety of stakeholders and groups in the ACT. She has qualifications in Community Development and Management, as well as Permaculture Design and Home Sustainability Assessment. Ms Jesson has assisted in the development and delivery of some key projects within the ACT. She is passionate about making connections and sharing information. On numerous occasions she has been instrumental in delivering conferences and workshops which has seen both national and internationally recognised speakers present best practice thinking in the field of CD. She established the Sustainability Network, which saw two key outcomes, namely the development of Canberra loves 40% and Canberra City Farm achieved. She is one of the founding members of Canberra Transition Town. Ms Jesson is a member of the Climate Change Council and involved in a variety of projects, including working closely with the Suburban Land Agency to deliver the Mingle Community Development program in the new and emerging communities of Wright and Coombs.

Ms Jesson is appointed to the Council to represent the community's interest in climate change.

The appointment has been made by the Minister for Climate Change and Sustainability. The Minister consulted the Standing Committee on Environment and Transport and City Services in accordance with section 228 (Consultation with appropriate Assembly committee) of the Legislation Act.

Any response from the Standing Committee was incorporated as appropriate.

A Regulatory Impact Statement (RIS) is not required for this disallowable instrument as it is unlikely to impose appreciable costs on the community (section 34(1) of the Legislation Act). Further, in accordance with section 36(1)(b) of the Legislation Act, a RIS is not necessary as the matter does not operate to the disadvantage of anyone by adversely affecting the person's rights or imposing liabilities on the person.

The Standing Committee on Justice and Community Safety (Legislative Scrutiny Role) terms of reference require consideration of human rights impacts, among other matters. In this case, no human rights are impacted.
