This disallowable instrument has the effect of determining fees, payable in advance, for transactions relating to driver licence and related fees under the road transport legislation.

The fees for driver licence and related fees have been increased by the wage price index of 2% in accordance with budget memo 2020/07, rounded down to the nearest ten cents. The fee for a second or subsequent hazard perception test has not been increased.

Column 1 of schedule 1 lists the item number for which the fee is payable. Column 2 of schedule 1 describes the service or other matter in relation to the fee payable. Column 3 of schedule 1 lists the fee payable for a driver licence period commencing on or before 31 August 2020. Column 4 of schedule 1 lists the fee payable for a driver licence period commencing on or after 1 September 2020.

The preference of the Standing Committee on Justice and Community Safety (Legislative Scrutiny Role) that Instruments or Explanatory Statements identify the amount of the old and new fee, any percentage increase and also the reason for any increase in the Instrument or the Explanatory Statement has been taken into account in the preparation of the Instrument and the Explanatory Statement.

There are no human rights or climate change implications arising from this instrument.

This determination is a disallowable instrument and must be presented to the Legislative Assembly within 6 sitting days after its notification pursuant to section 64 of the *Legislation Act 2001*.
