

Public Place Names (Gungahlin District) Determination 2021

Disallowable instrument DI2021–246

made under the

Public Place Names Act 1989, s 3 (Minister to determine names)

EXPLANATORY STATEMENT

Overview

Background

The *Public Place Names Act 1989* (the *Act*) sets out the process and criteria for the naming of divisions and public places. Section 2 of the Act defines a “public place” as including “an avenue, road, street, geographical feature or place that the public is entitled to use, and any unleased land”.

Section 3 of the Act gives the Minister the power to determine the name of a division or public place. The determination of the Minister is a disallowable instrument and as such must be notified in the ACT Legislation Register.

The factors that the Minister must have regard to in determining a name are set out in sections 2, 3 and 4 of the Act. Section 3 (3) (a) of the Act requires the Minister to consider the *Public Place Names (Naming of public places) Guidelines 2021* (guidelines) when naming a public place. The guidelines are made under section 4A of the Act and are notified at <https://www.legislation.act.gov.au/ni/2021-72/>

The Determination

The *Public Place Names (Gungahlin District) Determination 2021* determines the name Nadjung Mada Nature Reserve for the public place indicated in the diagram in the schedule to the determination. The Ngunnawal language words ‘nadjung mada’ translate into English to mean ‘wet land’.

This determination is consistent with section 4 (2) (e) of the Act and the requirement of the Minister (or delegate) to have regard to Aboriginal or Torres Strait Islander vocabulary. This determination is also consistent with the guidelines.

Consultation

Section 4 (3) of the Act requires the Minister (or delegate) to take reasonable steps to consult an appropriate cultural group before having regard to Aboriginal or Torres

Strait Islander vocabulary under subsection (2) (e). Consultation was undertaken in this instance in accordance with the Act.

Gender representation

Section 3 (2) (b) of the Act requires that the Minister (or delegate) consider whether the names of women are well-represented when making a determination about the naming of a public place. This section is not applicable as the determination does not name any places after people.

Regulatory Impact Statement (RIS)

The *Legislation Act 2001* (Legislation Act) requires a RIS for regulations and disallowable instruments subject to specified exceptions. In this case, a RIS is not required because the determination does not impose any appreciable costs on the community or part of the community (s 34 (1) of the Legislation Act). Further, a RIS is also not required because, while the determination of place names is culturally and socially significant, it does not adversely affect rights or impose liabilities on a person (s 36 (1) (b) of the Legislation Act).

Human Rights

Section 12 of the *Human Rights Act 2004* creates a right to privacy and reputation. This determination does not have the potential to infringe this right because it does not name any places after people.

Delegation

This determination is made by a delegate of the Minister. The Minister has delegated the power under section 3 of the Act to name a division or public place to the people occupying the positions of Director-General and Deputy Director-General of the Environment, Planning and Sustainable Development Directorate, refer to the *Legislation (Environment, Planning and Sustainable Development Directorate) Delegation 2018 (No 1)* (NI2018-216).

Status of this Explanatory Statement

This explanatory statement relates to the *Public Place Names (Gungahlin District) Determination 2021* as made by the delegate of the Minister and presented to the ACT Legislative Assembly (the Assembly). It has been prepared in order to assist the reader of the disallowable instrument. It does not form part of the disallowable instrument and has not been endorsed by the Assembly.

Clause Notes

Clause 1 – Name of Instrument

This clause names the instrument.

Clause 2 – Commencement

This clause provides for the commencement of the instrument.

Clause 3 – Determination of place name

This clause names the public place as specified in the schedule.
