

Lifetime Care and Support (Catastrophic Injuries) Motor Accident Injuries Levy Determination 2022 (No 1)

Notifiable instrument NI2022–272

made under the

Lifetime Care and Support (Catastrophic Injuries) Act 2014, section 84 (Determination of LTCS levy – Motor Accident Injuries)

EXPLANATORY STATEMENT

Section 84 of the *Lifetime Care and Support (Catastrophic Injuries) Act 2014* (LTCS Act) requires the Lifetime Care and Support Commissioner of the Australian Capital Territory (LTCS Commissioner) to determine the LTCS levy relating to motor accident injuries for a contribution period.

Under the LTCS Act, the LTCS Commissioner is required to assess the amount needed to be contributed to the LTCS Fund (the fund) in each contribution period. Specifically, the required fund contribution is an amount that will:

- fully fund the present and likely future liabilities of the LTCS Scheme under part 6 (Payments under LTCS scheme) of the LTCS Act in relation to people who become participants in the scheme because of motor accident injuries suffered during the contribution period;
- meet the payments needed to be made from the fund other than payments under part 6 of the LTCS Act; and
- provide for any other matters the LTCS Commissioner should, in all the circumstances, prudently make provision for in relation to liabilities under part 6 of the LTCS Act.

The LTCS levy is the amount that the LTCS Commissioner considers will result in the required fund contribution for the contribution period and has been determined following receipt of actuarial advice. The Acting LTCS Commissioner has determined this LTCS levy based on the best available data.

The contribution rate for the full 12 months has increased to \$60.40 for 2022-23. The higher levy reflects an increased number of participants entering the Scheme. The

LTCS Commissioner will reassess the levy amount each financial year on the basis of the updated advice of an independent actuary.

The contribution period applicable for this instrument is the financial year from 1 July 2022 to 30 June 2023. The levy will apply to all motor accident injuries (MAI) policies issued under the *Motor Accident Injuries Act 2019* that commence during the contribution period.

This instrument determines the LTCS levy payable on 12 month, 6 month and 3 month MAI policies. It also determines the LTCS levy on 12 month, 6 month and 3 month MAI policies applicable to vehicles registered under the Concessional Registration Scheme for Veteran, Vintage and Historic vehicles.
