Gas Safety (Fees) Determination 2023

Disallowable instrument DI2023-122

made under the

Gas Safety Act 2000, s 67 (Determination of fees, charges and other amounts)

EXPLANATORY STATEMENT

Section 67 of the *Gas Safety Act 2000* (the *Act*) permits the Minister to determine fees for the purposes of the Act.

The purpose of this instrument is to determine the fees for goods and services under the Act for the 2023-24 financial year.

The regulatory fees in the determination, which applied in the 2022-23 financial year, have been increased by 3.75% for the 2023-24 financial year, based on the wage price index as per government's advice. This increase is applied to the amended fees previously published as part of *Gas Safety (Fees) Determination 2022(No 2)* (DI2022-209), which commenced on 1 September 2022.

The instrument commences on 1 July 2023.

This instrument revokes the *Gas Safety (Fees) Determination 2022(No 2)* (DI2022-209).

A determination under section 67 of the Act is a disallowable instrument and must be presented to the Legislative Assembly within 6 sitting days after its notification pursuant to section 64 of the *Legislation Act 2001* (Legislation Act).

Regulatory Impact Statement (RIS)

A RIS is not required for this fee determination due to section 36 (1) (k) of the Legislation Act, which provides that a RIS need not be prepared for an amendment of a fee consistent with announced government policy.

Human Rights

The Standing Committee on Justice and Community Safety (Legislative Scrutiny Role) terms of reference require consideration of human rights impacts, among other matters. In this case, no human rights are impacted.
