

**AUSTRALIAN CAPITAL TERRITORY**  
**ROAD TRANSPORT (GENERAL) ACT 1999**

**INSTRUMENT NO. 68 OF 2000**

**EXPLANATORY STATEMENT**

As a result of the repeal of the *Motor Traffic Act 1936* and related legislation, all fees and charges are re-determined under the new Road Transport legislation.

This instrument has the effect of determining fees, payable in advance, for transactions relating to number plates under the *Road Transport (Vehicle Registration) Regulations 2000*. The fees listed below are the same as previously determined under the *Motor Traffic Act 1936*, with the exception of some new fees which result from the adoption of NSW legislation. The new fees relate to bicycle rack number plates (previously these were determined by the Registrar of Motor Vehicles as an administration charge) and transfer of trader's plates.

This Determination commences on 1 March 2000.
