EXPLANATORY STATEMENT

This instrument sets charges for the purposes of section 163C(2) of the Motor Traffic Act 1936 relating to the carpark listed below. The carpark on Block 11 Section 19 in Phillip is currently leased to Land Lease and the ACT Government receives 55% of the revenue collected in the leased carpark. As part of this carpark will be closed off to facilitate construction work, the boom gate system will be removed. Voucher machines will be temporarily installed to keep the carpark operating and to avoid revenue loss. Costs for the installation and maintenance of the machines are being met by Land Lease.

The fees for the voucher machines are in line with current fees charged by Land Lease and will take effect from 1 July 1998. Set out below are the fees which apply to the voucher machines on Block 11 Section 19 in Phillip.
