## MOTOR TRAFFIC ACT 1936

### DETERMINATION OF FEES

#### DETERMINATION NO. 184 OF 1997

#### EXPLANATORY STATEMENT

This instrument revokes all existing fee determinations under the *Motor Traffic Act 1936* which specify the determined fee for the purpose of subsection 163C(1) of the Act.

This instrument sets fees for the purpose of section 163C(1) of the *Motor Traffic Act 1936* relating to on-street parking meter fees for the areas of Territory Land listed below. Set out below are the new fees (and previous fees) which apply to on-street meter parking in the areas listed. Fees for the Phillip area have not been increased.

On-street parking meter fees will now be the same as short stay voucher parking fees. The fees reflect the 1996/97 budget strategy of the Government, however, the new fees could not be introduced until electronic mechanisms were installed in all meters.
