ACT TEACHING SERVICE

STAFF NOTICES

PROVISIONAL PROMOTION

The following promotion is made under Section 27 of the ACT Teaching Service Act and is provisional and subject to appeal.

The date of notification of the following promotion is the date appearing on the front cover of the ACT Gazette in which the notifications appear. The date in this case is expected to be 8 January 1992. This is the date from which the appeal commences to run.

OFFICERS WHO MAY APPEAL

Only applicants for promotion to the advertised vacancy are eligible to appeal.

GROUND OF APPEAL

The only ground of appeal is greater efficiency.

ADVICE TO POTENTIAL APPELLANTS

Before lodging an appeal you should consider carefully the reasons for your non-selection and the reasons for the selection of the promotee. Unsuccessful applicants are encouraged to seek feedback about the selection decision. The basis for an appeal must be that you consider yourself to be more efficient than the promotee for the position concerned and, if you proceed with an appeal, you are expected to substantiate that claim in a written statement to the Promotions Appeal Board (PAB).

In deciding whether or not to lodge an appeal, you should consider the basis on which you will seek to establish your claims of greater efficiency compared with those of the promotee, as assessed against the selection criteria. Remember that it is a question of whether you are the best person for the job rather than one of your suitability for the job. It is the role of the PAB to select the most efficient officer for the position.

If you decide to appeal, you must follow the instructions about the relevant address, timing and form of appeal set out below under the headings 'Form of Appeal' and 'Where and When to Lodge Appeals':

FORM OF APPEAL

A notice of appeal should be lodged by a letter detailing the following:

Date of ACT Gazette	
Name of promotee	
School to which promotion made	Position number

Australian Capital Teaching Service continued

The following particulars of the appellant should appear at the foot of the appeal:

Full name (block letters)
Postal address and telephone number
Current position number
School/Section
AGS number

WHERE TO LODGE APPEALS

Appeals must be delivered by 4.51 pm on 22 January 1992. They are to be delivered to: Megan Dawes, Executive Officer, Promotions Appeal Board, 2nd Floor, Manning Clark House, 156 Reed Street Tuggeranong.

PARTIES' SUPPORTING STATEMENTS

The Department requires parties to provide the PAB with a statement in writing of their case in respect of the appeal by 4.51pm on 29 January 1992.

If a party fails to provide a statement in the required time frame the PAB will take steps to ensure that that party is aware of his/her obligation to provide a statement. The PAB may grant an extension of time to provide the statement and will notify parties in writing that an extension has been granted.

Where a party fails to provide a statement after the PAB has taken steps to ensure that the party is aware of his/her obligations, or the party fails to comply with an extension of time to provide a statement, the PAB may proceed to determine the appeal.

ADVICE TO PROMOTEEES and APPELLANTS

As a party to the appeal you are entitled to access to:

- (i) the Department statement (which consists of selection panel report, Departmental statement if one has been prepared and the original applications)
- (ii) the written statements as submitted by other parties to the appeal.

The Departmental statement will be available for you to see in the Teaching Service Section, generally at least 7 days prior to the appeal hearing. If you wish to see the papers, it is up to you to seek access but the Teaching Service Section will advise you (and other parties) when and where the statement is available for perusal.

Personal statements of other parties are available for reading at the Teaching Service Section generally at least 7 days prior to any hearing. You should telephone the Teaching Service Section to make the necessary arrangements. The responsibility for seeking access to the statements of other parties rests with each party. Parties may take notes but may not retain or photocopy this material. As a general rule the PAB will not defer

Australian Capital Teaching Service continued

consideration of your case because you have not exercised your right to have access to the relevant documents.

CONTENT OF STATEMENTS

It is important to note that the Promotion Appeals Board will consider relevant experience and qualifications gained since the original selection.

You should provide four copies of your statement which should contain the following:

- (a) at the top:
 - (i) full name
 - (ii) home address and phone number
 - (iii) work address and phone number
- (b) curriculum vitae;
- (c) a statement of claims to the position addressing the selection criteria;
- (d) any views you may have about the Selection Panel assessment and the Departmental statement;
- (e) reasons for your claim that you are more efficient than the other party/ies;
- (f) a summary of your claims, stating the main points which represent the strongest attributes for the position; and
- (g) the names and telephone numbers of persons who can speak about your work performance and your suitability for the job in question (but see the following paragraphs for further advice on this point).

REFEREES

The PAB may conclude that it has sufficient information before it without needing to consult your referees or other persons, especially where adequate reports are already available in the selection papers.

You should speak with your nominated referees so that you are aware of the direction of their comments.

A PAB may approach persons other than nominated referees. Where new material that is adverse to one of the parties comes to the attention of the PAB, and that new adverse material appears to the Board to be relevant to the decision it has to make, the substance of that material will be made known to the party/ies concerned.

Australian Capital Teaching Service continuedEFFICIENCY

There is a provision in Section 28(2) of the Teaching Service Act that in forming an opinion as to the more or most efficient of the officers who apply for promotion or transfer, the Secretary must have regard to:

- (i) each officer's abilities, qualifications, experience, standard of work performance and personal qualities; and
- (ii) each officer's potential to develop in his/her career and to perform the duties of other positions at the same classification.

To the extent that the PAB considers these matters are relevant in the selection process, experience will not be confined to school administrative and teaching experience.

PAB PROCEDURES

If the PAB decides that parties are to be interviewed you will be advised as early as possible of the date and place, usually through the Teaching Service Section. However, you should not rely on being granted an interview as the main opportunity to state your case. You should instead state your case as fully and as openly as you are able in your written statement.

As a general rule, the PAB will expect you to attend for any interview at the time it determines.

The Board determines its procedures according to the circumstances of the case before it, but will normally consider the following:

- (a) the Departmental statement which contains:
 - (i) selection panel report
 - (ii) Departmental statement if one has been prepared
 - (iii) the original applications;
- (b) the written statements of the parties;
- (c) the cases put to the Board by the parties at any oral hearing or under any alternative arrangements;
- (d) an assessment of the parties at any hearing before the Board;
- (e) relevant views expressed by referees or other persons contacted; and
- (f) any other written information with respect to a party requested by the PAB from the Ministry.
