INDEX

This index covers ACT Gazette issues 1-51 and special issues S1-266 (where entries are indexed to the issue number only). The general issue volumes 1-6 and 10-51 are paged continuously, however volumes 7, 8 & 9 have repeated pages numbers used elsewhere, so entries are given by volume and page number in these issues. Headings refer to subjects as well as to names of individuals and organisations. Vacancies and movements in the ACT Teaching Service are included. The index is arranged in ASCII (American Standard Code for Information Interchange) order.
