EXPRESSIONS OF INTEREST

The Canberra Museum and Gallery

OPERATION OF RESTAURANT FACILITIES

The ACT Government is currently refurbishing North Building for the new Canberra Museum and Gallery which is a significant component of the Civic Square Redevelopment Project.

This major cultural facility will include exhibition galleries, and studio space incorporating workshop activities, a small theatre for both performance and education programs and a resource centre where people may access information about the visual arts and social history of the Canberra region.

The Museum and Gallery also incorporates accommodation for two Restaurants with supplementary outdoor eating areas within Civic Square. It is proposed that one of the Restaurants be in the style of an up-market Cafe/Brasserie and incorporate the promotion of local wines and produce. The second Restaurant could be more in the Cafe style which complements the larger adjacent outdoor area

Expressions are sought from interested parties for the operation of either one or both Restaurants. The Expression of Interest document is available by contacting.
