INVITATIONS TO TENDER, QUOTE OR REGISTER INTEREST

DEPARTMENT OF HEALTH AND COMMUNITY CARE

Expressions of Interest

Aboriginal and Torres Strait Islander Special Health Funding

The Department of Health and Community Care is seeking expressions of interest from organisations interested in tendering for projects which will result in better sexual health and the prevention of blood-borne diseases for people in Aboriginal and Torres Strait Islander communities of the ACT and surrounding areas. The nominated priority issues are sexual health education and education or safe behaviours for young people.

Projects may focus on education, prevention, treatment and/or care strategies. Cultural appropriateness and evidence of support from local Aboriginal communities will be taken into account in the assessment of submissions. Preference will be given to projects which include significant involvement and/or management by local Aboriginal controlled organisations. This may include the submission of joint projects between Aboriginal community organisations and specialist non-Aboriginal organisations which will result in skills and knowledge transfer.

The Department is actively encouraging the submission of joint projects between Aboriginal based community organisations and specialist non-aboriginal organisations services with a view to the exchange of ideas and specialised knowledge.

Projects may be delivered over a negotiated timeframe of up to 18 months. Funding of up to \$73,000 is available.

The closing date for Expressions of Interest is Monday 3 March 1997

Further information on the process and the priorities can be obtained by calling Kathy Vanduren on (06) 205 0836.
