**AUSTRALIAN CAPITAL TERRITORY
DANGEROUS GOODS ACT 1984
REVOCATION AND DETERMINATION OF FEES
EXPLANATORY STATEMENT
INSTRUMENT NO. 123 OF 2000**

This determination made under section 12A of the Dangerous Goods Act 1984 (the Act) sets new fees for the purposes of applications for licenses and permits authorising the sale and purchase of shopgoods fireworks, issued under the Dangerous Goods Act 1975 (NSW) and regulations.

Licenses authorising the sale of different types of explosives are issued under section 21 of the Dangerous Goods Act 1975 (NSW). This determination sets a new application fee for licenses authorising the sale of explosives including shopgoods fireworks, as classified under regulation 65L of the Dangerous Goods Regulation. This determination revokes any previous determination applicable to licenses authorising the sale of shopgoods fireworks.

The fee for a license to sell explosives other than shopgoods fireworks as classified under regulation 65L of the Dangerous Goods Regulation is maintained at the current level.

The regulations for shopgoods fireworks, which commenced on the 15 June 1999, restrict the sale of shopgoods fireworks to fourteen days prior to the Queen’s Birthday long weekend. Persons wishing to buy shopgoods fireworks during this period are required to apply for a purchaser’s permit. This determination sets a new application fee for a permit authorising the purchase and use of shopgoods fireworks.

The determination is a disallowable instrument for the purpose of section 10 of the *Subordinate Laws Act 1989*.
