

### **West Belconnen EIS**

**The Chief Minister, in his capacity as the Minister for the Environment, has directed the ACT Planning Authority to prepare an Environmental Impact Statement regarding the West Belconnen Land Development proposal.**

**Copies of the EIS requirements are available to the public at all ACT Government Shopfronts and at the Belconnen Public Library. A further notice of availability will be issued at a later date when the draft EIS has been prepared and made available for public inspection and comment.**
