

BLACK MOUNTAIN CUT OFF DRAIN AUGMENTATION

PRELIMINARY ASSESSMENT

The Stormwater Section of the Roads and Transport Branch, City Services Group has prepared a preliminary assessment report titled "Black Mountain Cut Off Drain Augmentation, Notice of Intent" for upgrading of the existing cut off drain.

The report outlines:

- * the reason for the upgrading
- * description of the proposed work
- * impacts during and after construction
- * safeguards to maintain environmental values.

The purpose of this preliminary assessment is to invite public comment and to ensure that the proposed work and environmental safeguards are responsive to community concerns.

Copies of the report are available for perusal at 255 Canberra Ave, Fyshwick. Telephone Mr S Rosborough on 2691513, or at the Shopfront 220 Northbourne Ave, Braddon.

Written submission should be forwarded by Wednesday 17 July 1991 to:
