**PRELIMINARY ASSESSMENT REPORT:
ENVIRONMENTAL FACTORS**

The City Services Group has prepared a Preliminary Assessment report on environmental factors relating to the proposed upgrading and safety improvements to Boboyan road, south of Gudgenby River in Namadgi National Park

The report outlines:

- the reasons for upgrading and safety improvements on Boboyan Road;
- Objectives of the proposal;
- timing and status of the proposal;
- existing landuse and environmental conditions;
- environmental impacts and safeguards including their significance, affects, alternatives, consequences and standards to be adopted that would mitigate impacts;
- details of consultation with relevant groups and individuals;
- relevant reports and studies referred to in preparing the assessment.

The purpose of the report is to invite public comment on the Preliminary Assessment in order to ensure that the proposed work satisfies community concerns.

Copies of the report may be obtained free of charge from the Civic and Tuggeranong Shopfronts or from the Department of Environment and Land Planning Shopfront at the Sir John Overall Offices, 220 Northbourne Avenue, Braddon

Written submissions should be forwarded by 18 August 1991 to:
