

QUALIFICATIONS FOR REGISTRATION

For the purposes of paragraph 8(1)(a) of the *Psychologists Act 1994* the qualifications recognised by the Board are as follow.

EXPLANATION OF SCHEDULES.

Schedule 1. These are 4 year courses and constitute academic attainment satisfactory for registration purposes.

Schedule 2. Part A

These courses are of 3 years duration and need to be supplemented by a qualification from:

Part B

These courses are minimum 1 year full -time (2 years part - time)

Together these courses constitute a four year academic qualification.

Part C

These courses combined with a 3 year course from Part A constitute a 5 year academic program. (Supplementation with one year (80 hours) of supervision will meet the Board's requirements for registration)

Schedule 3 Constitutes higher degrees in psychology which, dependent on their practical content, may constitute satisfactory practical experience.

Academic years + supervision period must equal 6 years.

Schedule 1.	= 4 years	+ 2 years supervision required
Schedule 2.	= A + B = 4 years	+ 2 years supervision required
Schedule 2	= A + C = 5 years	+ 1 year supervision required
Schedule 3.	= 6 years	supervision provided within the course

Post Graduate research degrees need to demonstrate that thesis was in the field of psychology

Applicants for registration are required to provide a transcript or evidence confirming that they have completed an accredited four year sequence of study.
