Bruce Section 2 - 132kV Power Line Relocation

**PRELIMINARY ASSESSMENT REPORT
ENVIRONMENTAL FACTORS**

ACT Electricity and Water has prepared on behalf of the Proponent, Department of Urban Services, ACT Capital Works Branch of Public Works and Services, a Preliminary Assessment Report on the environmental factors relating to the relocation of approximately 1.8km of existing 132kV powerline located at Section 2 Bruce adjacent to Ginninderra Drive.

The report outlines:

- reason for the proposed relocation;
- description of the environment, including the region surrounding the project site and current land use policy;
- potential impact of the project on the physical, human and non-human environment, and
- potential beneficial impacts.

The purpose of the report is to invite public comment on the Preliminary Assessment in order to ensure that the proposed work satisfies community concerns

Copies of the Preliminary Assessment Report may be obtained free of charge during normal business hours from the Civic, Belconnen, Tuggeranong and DELP shopfronts

Written submissions should be forwarded by cob 21 March 1995 to:
