

AUSTRALIAN CAPITAL TERRITORY
TERRITORY PLAN

Approval of Section Master Plan
Sections 15 & 16 Braddon

Draft Variation N^o.109 to the Territory Plan (DVP 109) requires that multi-unit development consisting of more than two dwellings shall be in accordance with an approved Section Master Plan. DVP 109 relates to the B11 and B12 Areas identified in that Draft Variation.

A draft Section Master Plan (**Attachment A** to this Approval) (the Section Master Plan) was prepared and submitted to the Australian Capital Territory Planning Authority.

Public Consultation

The Section Master Plan, which relates to Sections 15 and 16 in the Division of Braddon, was publicly notified from 26 May to 16 June 1998, as required by Draft Variation No.82 to the Territory Plan (DVP 82), which has been replaced by DVP 109. Lessees of land in Sections 15 & 16 and of land adjacent to Sections 15 & 16, in Sections 1, 13, 58 and 59, were notified by letter and invited to inspect and comment on the Section Master Plan.

No submissions were received in relation to the Section Master Plan.

Approval of Section Master Plan

I HEREBY APPROVE the Section Master Plan.
