Road Transport (Public Passenger Services) Accreditation Details Approval 2004 (No 1)

Notifiable Instrument NI 2004-73

made under the

**Road Transport (Public Passenger Services) Regulations 2002, reg 30(1)
Accreditation Details to be Displayed on Buses**

Name of Instrument

This Instrument is the Road Transport (Public Passenger Services) accreditation details approval 2004.

Revocation

I revoke determination NI2002-62 dated 4 March 2002 and notified under the Legislation Register on 11 March 2002.

Approval

I approve either the left or right side panel of a bus, forward of the front wheel arch, or otherwise as far forward as possible, as being the position for the display of bus operator accreditation details for buses that are to be used to operate a bus service for two weeks or more.

I approve interior lower corner of the passenger side front windscreen, with the information attached to the interior of the front windscreen so it is legible from the exterior of the vehicle, as being the position for the display of bus operator accreditation details for buses that are to be used temporarily by the accredited bus operator to operate a bus service for a period of less than two weeks.

Commencement

This instrument commences on notification on the ACT Legislation Register.
