*Notifiable Instrument NI2008- 176*

made under the

**Housing Assistance Act 2007 s21(1)** Approved housing assistance programs—housing operation guidelines

---

## **1 Name of instrument**

This instrument is the Housing Assistance Public Rental Housing Assistance Program (Exceptions and Miscellaneous Matters, hard-to-let dwellings) Operation Guideline 2008 (No 1).

## **2 Commencement**

This instrument commences on the day after its notification.

## **3 Operation Guideline**

In accordance with section 21(1) of the *Housing Assistance Act 2007* I issue this housing operation guideline for the *Housing Assistance Public Rental Housing Assistance Program 2007* ("the Program").

## **Purpose**

To provide guidance on subclauses 19(4) and 19(5) – hard-to-let dwellings, to determine if a discretion should be exercised to provide assistance outside the normal allocation arrangements.

## **Subclause 19(4) – Hard-to-let dwellings**

1. Subclause 19(4) specifies:

*Despite anything else in this program the housing commissioner may, in his or her absolute discretion, provide rental housing assistance to an eligible applicant, by providing them with a specified dwelling, otherwise than in accordance with the general allocation procedures set out in this program.*

2. Subclause 19(5) states that a specified dwelling is one that is considered "hard-to-let" because of particular attributes of the dwelling.
3. A 'note' in the Explanatory Statement in relation to this provision is provided. It indicates that the provision relates to dwellings that because of their location, condition, or size, are considered difficult to let. This difficulty could be established by the number of applicants who have refused such a dwelling after being made an offer within the standard allocation procedures.

Where this is established, allocation of the dwelling may be considered outside the standard allocation procedures in the interests of the efficient management of the public housing stock.

4. Where any of the above circumstances are considered relevant to a particular dwelling, consideration should be given to exercising the discretion to allocate outside the normal allocation arrangements.

## **General provisions**

### ***Review***
