Introduction

Name
The name of this code is the Throsby Precinct Code.

Application
The code applies to the Division of Throsby.

Purpose
This code provides additional planning, design and environmental controls for specific areas or blocks and may also contain references to provisions in other codes.

In conjunction with other relevant codes it will be used by the Authority to assess development applications and offer guidance to intending applicants in designing development proposals and preparing development applications.

Structure
This code contains additional rules and/or criteria for particular blocks or parcels identified as areas RCn on the precinct map, to be read in conjunction with the relevant development code. It may also contain sub-parts.

Each element has one or more rules and, unless the respective rule is mandatory, each rule has an associated criterion. Rules provide quantitative, or definitive, controls. By contrast, criteria are chiefly qualitative in nature.

In some instances rules are mandatory. Such rules are accompanied by the words “This is a mandatory requirement. There is no applicable criterion.” Non-compliance with a mandatory rule will result in the refusal of the development application. Conversely, the words “There is no applicable rule” are found where a criterion only is applicable.

Code hierarchy
Under the Planning and Development Act 2007, where more than one type of code applies to a development, the order of precedence if there is inconsistency of provisions between codes is: precinct code, development code and general code.

If more than one precinct code applies to the site, the most recent precinct code takes precedence to the extent of any inconsistency.

Definitions
Defined terms, references to legislation and other documents are italicised.

Definitions of terms used in this code are listed in part 13 of the Territory Plan or, for terms applicable only to this code, associated with the respective rule.
10.1 Suburb Precinct Maps and Codes

Thorsby Precinct Map and Code

Effective: 6 September 2019

Acronyms

- EPA: ACT Environment Protection Authority
- ESA: ACT Emergency Services Agency
- EPSDD: ACT Environment, Planning and Sustainable Development Directorate
- NCA: National Capital Authority
- P&D Act: Planning and Development Act 2007
- TCCS: ACT Transport Canberra and City Services
**Additional rules and criteria**

This part applies to blocks and parcels identified in the Throsby Precinct Map (RCn). It should be read in conjunction with the relevant zone development code and related codes.

**RC1 – Buffer zone**

This part applies to blocks and parcels identified in area RC1 shown on the Throsby Precinct Map. RC1 shows a buffer area of 200 metres from the gas line in the Horse Park Drive road reserve.

**Element 1: Use**

</table>
| R1 Where development includes one or more of the following uses.  
  a) child care centre  
  b) community activity centre  
  c) COMMUNITY USE  
  d) educational establishment  
  e) retirement village or aged care facilities  
  f) medium to high density residential above 2 storeys in height | Development complies with a plan prepared by a gas pipeline engineer and endorsed by the Territory agency responsible for regulation and safety of utilities.  
The plan will detail an assessment against the safety management study process and location classifications in accordance with Australian Standard AS2885.1 Pipelines – gas and liquid petroleum. |
### RC2 – Throsby residential

This part applies to blocks and parcels identified in area RC2 shown on the Throsby Precinct Map.

#### Element 1: Building and site controls

<table>

<tbody>
<tr>
<td><strong>1.1 Courtyard walls</strong></td>
<td></td>
</tr>
</tbody>
</table>
| R2 | This rule applies to blocks or parcels in locations identified in Figures 1, 2, 3, 4, and 5. Courtyard walls are permitted to zero setback for the nominated boundary. The length of the wall can extend along the boundary up to the minimum setback of any street frontage.  
Note: See Diagram 1 for an elevation of a typical courtyard wall. | This is a mandatory requirement. There is no applicable criterion. |
| R3 | This rule applies to blocks or parcels in locations identified in Figures 2, 3 and 5. Courtyard walls are permitted to zero setback for the nominated boundary. The length of the wall can extend along the boundary as indicated in the figures.  
Note: See Diagram 1 for an elevation of a typical courtyard wall. | This is a mandatory requirement. There is no applicable criterion. |
1.2 Setbacks

R4
This rule applies to blocks or parcels in locations identified in Figures 1 and 2.
Minimum side boundary setback of 3m within the primary building zone for:
- lower floor level
- first upper floor level – external wall
* does not apply to that part of a wall with a window of any sort.

This is a mandatory requirement. There is no applicable criterion.

R5
This rule applies to blocks or parcels in locations identified in Figures 1 and 2.
Minimum side boundary setback of 6m within the primary building zone for the second upper floor level – external wall.
* does not apply to that part of a wall with a window of any sort.

This is a mandatory requirement. There is no applicable criterion.

Element 2: Access

<table>
<thead>
<tr>
<th>Rules</th>
<th>Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.1 Vehicular access</td>
<td>This is a mandatory requirement. There is no applicable criterion.</td>
</tr>
</tbody>
</table>

R6
This rule applies to blocks or parcels in locations identified in Figures 1 and 3.
Vehicular access is not permitted to or from blocks where indicated.
Element 3: Amenity

Rules | Criteria
--- | ---

**3.1 Acoustic mitigation measures**

**R7**
This rule applies to blocks or parcels in locations identified in Figure 1.

Acoustic courtyard wall is required. Walls are permitted to zero setback for the nominated boundary. The length of the wall is to extend along the boundary as indicated in the figure.

Note: See Diagram 2 for an elevation of a typical acoustic courtyard wall.

This is a mandatory requirement. There is no applicable criterion.

**R8**
This rule applies to blocks or parcels in locations identified in Figure 5.

Acoustic courtyard wall is required, minimum lengths are indicated in the figure. Overall lengths and setbacks can be determined in accordance with the Single Dwelling Housing Development Code.

Note: See Diagram 2 for an elevation of a typical acoustic courtyard wall.

This is a mandatory requirement. There is no applicable criterion.

# RC3 – Mixed use commercial

This part applies to blocks and parcels identified in area RC3 shown on the Throsby Precinct Map.

## Element 1: Use

<table>
<thead>
<tr>
<th>Rules</th>
<th>Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>1.1 Restrictions on use</strong></td>
<td></td>
</tr>
</tbody>
</table>
| R9 One or more of the following uses are not permitted above the ground floor:  
a) COMMUNITY USE  
b) craft workshop  
c) indoor entertainment facility  
d) indoor recreation facility  
e) NON RETAIL COMMERCIAL USE  
f) restaurant  
g) SHOP | C9 Noise generating uses are located to minimise impacts on residential or commercial accommodation. |
| **1.2 Gross floor area** |  |
| R10 Where development includes one or more of the following:  
a) COMMUNITY USE  
b) craft workshop  
c) indoor entertainment facility  
d) indoor recreation facility  
e) NON RETAIL COMMERCIAL USE  
f) restaurant  
g) SHOP  
the maximum gross floor area per establishment or tenancy is 200m². | C10 The scale of leisure, recreation, community and commercial activities included with residential development achieves all of the following:  
a) ancillary to RESIDENTIAL USE  
b) services the local residents only |
| **1.3 Number of storeys** |  |
| R11 The maximum number of storeys is 3. | C11 Buildings achieve all of the following:  
a) compatibility with the desired character  
b) reasonable solar access to dwellings on adjoining residential blocks and their associated private open space  
The maximum number of storeys is 4. |
Other ongoing provisions

This part applies to blocks and parcels identified as ongoing provisions (OPn) in the Throsby Precinct Map. It should be read in conjunction with the relevant zone development code and related codes.

**OP1 – Throsby residential area**

This part applies to blocks and parcels identified in area OP1 shown on the Coombs Precinct Map.

The following provisions reside in Territory Plan 3.3 Single Dwelling Housing Development Code:

- Bushfire Attack Level (BAL)-12.5 kilowatts/m² Australian Standard AS3959. Construction of buildings in bushfire prone areas.
- Side setback-boundary2
- Surveillance block
- Secondary frontage
- Blocks >500sqm <850sqm - subject to mid size block provisions
- Block deemed not noise affected for the purpose of Rule R42 in the Single Dwelling Housing Development Code
