

RZ1 – Suburban zone

Zone objectives

- a) Provide for the establishment and maintenance of residential areas where the housing is low rise and predominantly single dwelling and low density in character
- b) Protect the character of established single dwelling housing areas by limiting the extent of change that can occur particularly with regard to the original pattern of subdivision and the density of dwellings
- c) Provide for a wide range of affordable and sustainable housing choices that meet changing household and community needs
- d) Ensure development respects valued features of the neighbourhood and landscape character of the area and does not have unreasonable negative impacts on neighbouring properties
- e) Provide opportunities for home based employment consistent with residential amenity
- f) Provide for a limited range of small-scale facilities to meet local needs consistent with residential amenity
- g) Promote good solar access
- h) Promote energy efficiency and conservation
- i) Promote sustainable water use
- j) Promote active living and active travel
