

NUZ5 – Mountains and Bushlands Zone

Zone Objectives

- a) Protect existing and future water supply
- b) Protect ecological resources by conserving vegetation communities in a relatively undisturbed state, maintaining a diversity of plant and animal habitats and assuring the maintenance of ecological functions within land and aquatic habitats
- c) Maintain the mountains and bush lands area as an important visual background to Canberra
- d) Provide opportunities for appropriate recreational use
- e) Protect and conserve the significant cultural and natural heritage resources and their landscape context
- f) Provide and manage access to Namadgi National Park and related areas for recreation and essential management purposes consistent with the objectives
- g) Ensure that the area may be used for appropriate environmental education, research and scientific study
- h) Ensure compatibility between land uses, water and water catchment uses and the natural character of the mountain and bushland areas
- i) Maintain and enhance the scenic and landscape character of the mountains and bushlands and associated areas and to ensure that any development is unobtrusive and compatible with its surroundings and the intrinsic landscape qualities of the mountains and bush lands
