	the primary purposes of religious worship and associated activities by a congregation,		
	religious group or members of the public		
	whether or not the premises are also used		
	for religious instruction, tuition, meetings,		
	training and other community activities.		
	<b>Religious associated use</b> means the use of		
	land for the activities conducted by religious		
	organisations other than for worship or for		
	offices and may include residential		
	accommodation by ministers of religion.		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Corrections facility means the use of land		Corrections centre
	for the confinement or safe custody of		Prison
	persons so confined as the result of legal		Remand centre
	process and includes attendance centres		Youth remand centre
	established for persons sentenced to serve		
	periods of community service.		
	Craft workshop means the use of land for		
	the manufacture, primarily by manual		
	methods, of craft articles such as		
	leatherwork, pottery, woodwork, hand woven		
	goods and the like.		
	Cultural facility see COMMUNITY USE		Art gallery
			Library
			Museum
	Defence installation means the use of land		
	operated by the Department of Defence or		
	the armed forces of Australia and includes		
	Department of Defence offices, offices		
	associated with national security and		
	defence communications facilities, but does		
	not include facilities associated with military		
	aviation.		
	Department store see SHOP		
	Detached house see Single dwelling		Aged persons' unit (detached)
	housing		Cottage house
			Courtyard house
			Standard house
	Diplomatic residence see RESIDENTIAL		
	USE		
	Distribution reservoir see MAJOR UTILITY		
	INSTALLATION		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Drink establishment means the use of land		Bar
	for the sale of alcoholic beverages and spirits		Tavern
	to members of the public primarily for		
	consumption on the premises, and which is a		
	licensed premise under the Liquor Act 1975.		
	Drive-in cinema means the use of land as		
	an open air cinema that makes provision for		
	the audience or spectators to view that		
	entertainment while seated in motor vehicles.		
	Dual occupancy housing see Multi-unit		
	housing		
	Educational establishment see		Adult education centre
	COMMUNITY USE		College of Advanced Education
			High School
			Kindergarten
			Other specialist college
			Pre-school
			Primary school
			Road safety education centre
			Secondary college
			Sheltered workshop
			Sports institute
			Teachers' college
			Technical and further education (TAFE)
	Emergency services facility means the use		University Ambulance station
	of land for the purpose of providing		Civil defence
	emergency services and protection for the		Fire station
	community.		Police station
	Farm tourism means operating a craft		
	workshop, shop, guesthouse, outdoor		
	recreation facility, overnight camping area or		
	other activity for tourists that is secondary to		
	the use of the land for the primary purpose		
	authorised by the lease.		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Financial establishment see NON-RETAIL COMMERCIAL USE		Bank Co-operative society Credit union Finance companies
	<b>Freight transport facility</b> means the use of land used for the principal purpose of bulk handling and storage of goods or materials whether or not facilities are included for the parking, servicing and repair of vehicles used to transport the goods or materials on <i>site</i> , but does not include any retail sales or wholesaling from the <i>site</i> .		Motor freight forwarding service Motor freight packing, crating service Motor freight terminals and depots

	Home business see RESIDENTIAL USE		
	Horticulture see Agriculture		Hydroponics
			Market garden
			Orchard
			Plant nursery (excluding retail plant
			nursery)

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Hotel see COMMERCIAL		
	ACCOMMODATION USE		
	Hydro-electric power generation means		
	the regulation and diversion of streamflow for		
	the purpose of generating electric power.		
	Incineration facility means the use of land		
	for the disposal of waste by burning.		
	Indoor entertainment facility means the		Amusement arcade
	use of land for entertainment where such use		Casino
	is primarily indoors.		Cinema
			Commercial theatre
			Concert hall
			Dance hall
			Discotheque
			Music hall
			Night club
	Indoor recreation facility means the use of		Fitness centre
	land for sporting activities where such use is		Gymnasium
	primarily indoors.		Indoor sports stadium
			Indoor swimming pool
			Squash court
	Industrial trades means the use of land for		Agricultural supplier
	the selling, hiring or servicing of goods or		Agricultural machinery sales and service
	materials for industrial, agricultural,		Builders' supplies
	construction, transport or like purposes		Display of building materials
	where:		Industrial machinery sales and service
	a) a large area for handling, storage or		Timber yard
	display is required; and/or		Vehicle repair and maintenance
	b) the activity carried out has the potential		•
	to have an environmental impact similar		
	to industry in terms of traffic and parking		
	generation, noise and air pollution, and		
	visual impact.		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Industry means the use of land for the		
	principal purpose of manufacturing,		
	assembling, altering, repairing, renovating,		
	ornamenting, finishing, cleaning, washing,		
	winning of minerals, dismantling, processing,		
	or adapting of any goods or any articles.		
	Landfill site means the use of land for the		
	permanent depositing of waste within the		
	ground.		
	Land management facility means the use		Bushfire fighting facility
	of land for land management or the storage		Forest depot
	of any plant, machinery or materials used in		Land management depot
	the course of land management, whether or		Ranger station
	not facilities are included for the parking,		Visitor information centre
	servicing and repair of plant or machinery.		
	Light industry means an industry, not being		
	a general, offensive, hazardous or mining		
	industry, in which the processes carried on,		
	the transportation involved or the machinery		
	or materials used do not interfere with the		
	amenity of the locality by reason of noise,		
	vibration, smell, fumes, smoke, vapour,		
	steam, soot, ash, dust, waste water, waste		
	products, grit, oil or otherwise. The use		
	includes a <i>craft workshop.</i>		
	Liquid fuel depot means the use of land for		
	the bulk storage or wholesale distribution of		
	petrol, oil, petroleum products or other		
	inflammable liquids or the retail distribution of		
	drums containing petrol, oil, petroleum		
	products or other inflammable liquids.		
	Major electrical sub-station see MAJOR		
	Major gross pollutant trap see MAJOR		
	UTILITY INSTALLATION		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Major pump station see MAJOR UTILITY INSTALLATION		
	<b>Major road</b> see MAJOR UTILITY INSTALLATION		Arterial road Distributor road Freeway Highway Parkway
	Major service conduits see MAJOR UTILITY INSTALLATION		
MAJOR UTILITY INSTALLATION	Distribution reservoir means a storage tank associated with the maintenance of pressure and supply in the reticulated water supply system.Major electrical sub-station means switching and transformer equipment handling voltages greater than 66kV.Major gross pollutant trap means an open trap constructed on main drains to intercept sediment and trash transported in stormwater.Major pump station means a pump station having a capacity greater than 500 litres per second in the case of water supply; 50 litres per second in the case of sewage; or a natural gas compression station operating at greater than 1000 kPa pressureMajor road means a road identified within the Transport Services Zone as shown on the Territory Plan Map.		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Major service conduits means the major		
	bulk water supply and reticulation mains		
	having a diameter equal to or greater than		
	675mm, trunk sewers having a diameter		
	equal to or greater than 750mm, stormwater		
	main drains having a diameter equal to or		
	greater than 900mm or comprising open		
	drains or waterways, transmission lines		
	having a voltage greater than 66kV, gas		
	mains having a diameter greater than		
	100mm, and major telecommunication cable		
	ducts having a width equal to or greater than		
	1000mm, coaxial cables, and optical fibre		
	cables.		
MAJOR UTILITY	Power generation station means		
INSTALLATION	equipment and associated buildings		
	constructed for the generation of electricity		
	utilising gas, coal or other fuel sources.		
	Transport depot means the use of land for		
	the parking or storage of motor vehicles used		
	in connection with a commercial or industrial		
	transport undertaking.		
	Treatment plant means a facility		
	constructed for the purposes of physical,		
	chemical or biological treatment of water		
	supply, sewage or stormwater.		
	Tunnel means an underground conduit		
	constructed by tunnelling methods for the		
	purposes of transporting water supply,		
	sewage or other services.		
	Urban lake, pond and/or retardation basin		
	means a dam constructed for the		
	impoundment of urban and rural runoff for		
	the purposes of landscape, recreation,		
	pollution control, or retardation of peak		
	stormflows.		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Water storage dam means a dam		
	constructed for the purposes of impounding		
	water for water supply purposes.		
	Mining industry means an industry, not		Quarry
	being a light, general, hazardous or offensive		
	industry, which extracts minerals, coal, oil,		
	gas or construction materials by such		
	processes as underground or open-cut		
	mining, quarrying, dredging, the operation of		
	wells or evaporation pans, or by recovery		
	from ore dumps or tailings, and includes		
	primary processing operations carried out at		
	or near mine sites as an integral part of the		
	mining operation.		
	Minor service reticulation means the water		
	supply, sewerage, stormwater and gas pipe		
	reticulation, electricity lines and		
	telecommunication cables which are		
	normally located in road easements or		
	easements within leases.		
	Minor Use means the use of unleased land		
	for a purpose that is incidental to the use and		
	development of land in the zone and		
	includes but is not limited to open space;		
	public car parking; community path systems;		
	utility services; public roads; street furniture and the like.		
	<b>Mobile home</b> means a <i>dwelling</i> capable of being transferred and re-proceed from place		
	being transfered and re-erected from place to place (whether on wheels or not).		
	to place (whether on wheels of hol).		

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Mobile home park means the use of land to accommodate <i>mobile homes</i> or caravans, whether temporary or permanent, and includes amenity <i>buildings</i> used for the personal comfort or convenience of or enjoyment of leisure by persons using a <i>mobile home</i> or caravan for residential accommodation in the <i>mobile home park</i> , and may include a <i>caravan park/camping</i> <i>ground</i> .		
	Motel see COMMERCIAL ACCOMMODATION USE		
	Multi-unit housing see RESIDENTIAL USE	<ul> <li>Apartment means a <i>dwelling</i> located within a <i>building</i> containing two or more <i>dwellings</i> and which is not an attached house.</li> <li>Attached house means a <i>dwelling</i> within a <i>building</i> containing two or more <i>dwellings</i> where each <i>dwelling</i> has within its curtilage open space at ground level and private access for the exclusive use of the occupants of the dwelling.</li> <li>Dual occupancy housing means the use of land that was originally used or leased for the purposes of <i>single dwelling housing</i> for two <i>dwellings</i>.</li> <li>Triple occupancy housing means the use of land that was originally used or leased for the purposes of <i>single dwelling housing</i> or <i>dual occupancy housing</i> for three <i>dwelling housing</i> for three <i>dwellings</i>.</li> </ul>	<i>apartments</i> cluster housing multi-dwelling development multi-unit development
	<b>Municipal depot</b> means the use of land for the storage of any plant, machinery or materials used in the course of a municipal undertaking, whether or not facilities are included for the parking, servicing and repair of plant or machinery.		Bus depot Parks maintenance depot Street cleaning depot Works depot

Umbrella Term	Development	Sub-categories	Some Common Terminology
	Nature conservation area means an area set apart for the purpose of the conservation or preservation of natural and/or cultural values.		
NON RETAIL COMMERCIAL USE	Business agency means the use of land for the purpose of providing a commercial service directly and regularly to the public.Financial establishment means the use of land for the primary purpose of providing finance, investing money, and providing services to lenders, borrowers and investors on a direct and regular basis.

	members of the public.		Wildlife sanctuary
			Zoo

## Part B – Definitions of Terms

Adjacent means either being contiguous with the subject location; or, if separated only by a *road*, where the *front boundary* faces the section of the road which separates it from the subject location.

Adjunct means associated with but not necessarily part of.

Advertisement means any device or representation visible to the general public which is for the purpose of directly or indirectly promoting sales or drawing attention to an enterprise or undertaking, and includes any hoarding or similar *structure*, any bunting, flag or streamer, or any balloon used or adapted for use for the display of *advertisements* or attracting attention.

**AEP (Annual Exceedance Probability)** means the probability in any one year of a storm event exceeding a specified stream flow level.

AHD means Australian Height Datum.

Ancillary means associated with and directly related to, but incidental and subordinate to the predominant use.

Application has the same meaning as in the Planning and Development Act 2007.

Approval has the same meaning as in the Planning and Development Act 2007.

Aquatic habitat means the lake, river and stream margins, banks and beds, which sustain diverse populations of plants and animals.

Aquatic migration corridor means river corridors and associated streams and wetlands upon which a number of animals are dependent for their movement and survival in the region.

Articulation Zone means a specified area on a block within which the design of the façade of buildings is required to be articulated in order to provide visual interest to the streetscape. Forms of articulation may include architectural elements and detailing to be incorporated into the building façade and variations to building alignment particularly in response to existing landscape features.

Attic means any habitable space contained wholly within a roof pitched at not more than 36 degrees above the ceiling line of the storey immediately below, except for minor elements such as dormer windows and the like. Authority means the Planning and Land Authority established by section 7 of the Planning and Land Act 2002

**Backlighting** means, in relation to a *sign*, the internal illumination of a *sign* box and the internal illumination of individual letters or characters comprising a *sign*, provided that the *sign* box, letter or character is constructed of translucent and not transparent materials.

**Balcony** means a small outdoor area, raised above the ground, directly accessible from within the *building* and open except for a balustrade on at least one side.

**Basement** means a space within a *building* where the floor level of the space is predominantly below *natural* ground level and where the *finished floor level* of the level immediately above the space is less than 1.0 metre above *natural ground level*.

Blank wall means any wall, which has no openings such as windows or doors.

Block means a parcel of land, whether or not the subject of a *lease*.

Building includes:

a) an addition to a *building*;

b) a structure attached to a building; and

c) a part of a *building*.

**Building envelope plan** means a plan relating to *blocks* in an estate specifying envelopes within which *buildings* will be required to be constructed along with any other specific block development controls and which is linked to and approved along with the *Estate Development Plan*.

**Building line** means a line drawn parallel to any *front boundary* along the front face of the *building* or through the point on a *building* closest to the *front boundary*. Where a terrace, landing, porch, *balcony* or verandah is more than 1.5 metres above the adjoining *finished ground level* or is covered by a roof, it shall be deemed to be part of the *building*.

Carport means a car shelter wholly or partly enclosed on not more than two sides.

**Communal open space** means common outdoor open space for recreation and relaxation of residents of a housing development.

**Community path system** means a route constructed or under reserve which includes a path (cycle path) open to the public for the use of non-motorised traffic, such as bicycles, pedestrians and joggers, and for motorised wheel chairs.

**Consolidation** has the same meaning as in the *Planning and Development Act 2007*. **Controlled activity** has the same meaning as in the *Planning and Development Act 2007*. Defined land has the same meaning as in the Planning and Development Act 2007

Development has the same meaning as in the Planning and Development Act 2007.

**Development condition** means any condition subject to the *Planning and Development Act 2007*, contained in a lease or an agreement collateral to a lease, or in a lease or an agreement collateral to the lease that was made prior to the commencement of the *Planning and Development Act 2007*.

**Discharge - stormwater** means the discharge to drains, ponds, lakes or streams of catchment runoff as a result of storm rainfall over the catchment.

**Discharge - wastewater** means liquid waste discharged from domestic, agricultural (feed lots) or industrial sources, or from associated treatment facilities.

**Domestic water supply** means the water stored, diverted, treated and reticulated for the primary purpose of domestic use.

**Domestic water supply - fully treated** means the provision of floculation and sedimentation, filtration and disinfection.

**Domestic water supply - partially treated** means the provision of direct filtration and disinfection (dependent on raw water having limited suspended solids levels).

**Domestic water supply - disinfected** means the provision of disinfection only (dependent on raw water substantially free of suspended solids).

**Dwelling** means a building or part of a building used as a self contained residence which must include:

- food preparation facilities;
- a bath or shower; and
- a closet pan and wash basin.

It includes outbuildings and works normal to a dwelling.

Environment includes biological, physical, social, cultural and economic aspects.

**Environment values** mean the value of the resource for extractive and instream uses by the community, and intrinsic values such as the maintenance of natural ecosystems.

Environmental assessment has the same meaning as in the Planning and Development Act 2007

**Erosion** means the mobilisation of soil as a result of loss of vegetative cover, scouring by runoff, or associated with slope instability.

**Estate Development Plan** means a plan setting out the proposed pattern of subdivision and infrastructure works for an estate and which is required to be approved prior to the undertaking of the works and the granting of leases for the subdivided blocks and may include a *Streetscape Concept Plan* and/or *Building Envelope Plan*.

**Fin wall** means an external wall built on the *block* boundary side of a *lateral opening*, to screen that opening to and from an adjoining *block*.

Finished floor level (FFL) means the level of the upper surface of the relevant floor.

**Finished ground level (FGL)** means the ground level after completion of all excavation and earthworks. **Fishing** means the use of bait, lures or other devices for the purpose of catching fish, for recreational or commercial purposes.

**Floodplain** means that area of stream or drainage corridor which is inundated by the 1 in 100 Average Exceedance Probability (AEP) event.

Front boundary means any boundary of a *block adjacent* to a public *road*, public reserve or public pedestrian way.

Front loading block means a block where vehicular access is obtained from the front of the block.

**Front Zone** means the area of a block between the *front boundary* and the *building line* or at the minimum front setback for the block whichever is greater. (Note: for the purpose of this definition, the *front zone* shall not be more than 10m from the *front boundary*).

**Garage** means a car shelter wholly or partly enclosed on more than two sides and includes an outbuilding as defined in the Building Code of Australia.

**Gross floor area (GFA)** means the sum of the area of all floors of the building measured from the external faces of the exterior walls, or from the centre lines of walls separating the building from any other building, excluding any area used solely for rooftop fixed mechanical plant and/or basement car parking.

Groundwater means an underground zone of porous or fractured rock within which water may be stored.

**Groundwater abstraction** means abstraction by pumping, for the purpose of offstream use of water. **Habitable room** means any room within a dwelling used or adapted to be used for the purpose of living, sleeping, or the eating or cooking of food and includes lounge rooms, family rooms, dining rooms, rumpus

<ul> <li>rooms, bedrooms, kitchens, but does not include bathrooms, laundries, garages, or garden sheds.</li> <li>Height of building means the vertical distance between natural ground level to the highest point or points of the building.</li> <li>Height of wall means the vertical distance between natural ground level farcetly beneath the outside face of any external wall and the top of the wall or roof at the wall line, parapet or balustrade (whichever is the higher). In the case of a gable or skillion end, the maximum height of wall shall be measured to a level midway between the ridge line and the top of the eaves or fascia.</li> <li>Heritage Register has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Integrated housing development means development where the developer:</li> <li>a) is responsible for the planning, dedign and building of all the housing and associated facilities; or</li> <li>b) undertakes the site planning and development of infrastructure as well as establishing general requirements for building design without actually constructing the dwellings.</li> <li>Irrigation water supply means water abstracted, stored, treated and reticulated for use for the irrigation of landscape or crops.</li> <li>Land includes water.</li> <li>Land includes water.</li> <li>Latera lopening means a window or door, which is approximately at right angles to a <i>block</i> boundary.</li> <li>Lease has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i>Planning and Development Act 2007</i>.</li> <li>Lesse has the same meaning as in the <i></i></li></ul>	
the <i>building</i> . Height of wall means the vertical distance between the <i>natural ground level</i> directly beneath the outside face of any external wall and the top of the wall or roof at the wall line, parapet of balustrade (whichever is the higher). In the case of a gable or skillion end, the maximum height of wall shall be measured to a level midway between the ridge line and the top of the eaves of fascial. Heritage Register has the same meaning as in the <i>Planning and Development</i> Act 2007. Integrated housing development means development where the developer: a) is responsible for the planning, design and building of all the housing and associated facilities; or b) undertakes the site planning and development of infrastructure as well as establishing general requirements for building design without actually constructing the dwellings. Irrigation water supply means water abstracted, stored, treated and reticulated for use for the irrigation of landscape or crops. Land includes water. Land includes water. Land includes water. Land includes water. Land includes water. Lateral opening means a window or door, which is approximately at right angles to a <i>block</i> boundary. pursuant to the Districts Act 1966. Section Master Plan means a plan of a section and surrounds indicating a development context for individual	
Section Master Plan means a plan of a section and surrounds indicating a development context for individual	

**Sediment** means the coarse particles (such as sand, silt and gravel) and organic particulates transported by storm runoff and streamflow.

**Setback** means the minimum horizontal distance between a *building* wall or the outside face of a *balcony*, deck or supporting posts of a *carport* or verandah roof and the relevant *block* boundary.

Sewer vent means a vent connected to a trunk sewer to evacuate foul air from sewers.

Sewerage storm tank means an earth or concrete storage tank provided to contain sewage storm overflow in excess of sewer or pump capacity.

**Side boundary** means a *block* boundary extending from a street frontage and *adjacent* to one other *block* only.

Sill height means the vertical height of a window sill above the *finished floor level* which it serves.

**Site** means a *block*, *lease* or other lawful occupation of land, or adjoining *blocks*, *leases* or lawful occupancies in the event of these being used for a single undertaking or operation, but excludes the area of any access driveway or right-of-way

Site coverage the proportion of the actual site covered by dwellings and all other buildings

**Standard block** means a block with an area greater than 500 m2 that was originally leased or used for the purpose of *single dwelling housing*.

**Storey** means a space within a *building* that is situated between one floor level and the floor level next above, or if there is no floor level above, the ceiling or roof above but does not include an *attic* or a *basement*.

**Streamflow diversion** means the impoundment and diversion of streamflow to pipes or channels, for the purpose of offstream use of water.

**Streamflow regulation** means the retention of portion of streamflow in a pond or reservoir for some period of time, for subsequent release downstream.

**Streetscape** includes the visible components within a street (or part of a street) including the private land between facing *buildings*, including the form of *buildings*, treatment of *setbacks*, fencing, existing trees, landscaping, driveway and street layout and surfaces, utility services and street furniture such as lighting, *signs*, barriers and bus shelters.

**Streetscape Concept Plan** means a plan of the proposed streetscape, which is linked to and approved along with the *Estate Development Plan* for the area.

**Street facade** means the facing wall of a *building* fronting a street, other than courtyard walls or *carports* and *garages.* 

**Structure** includes a fence, mast, antenna, aerial road, footpath, driveway, carpark, culvert or service conduit or cable.

**Surface area of a sign** means the entire area within a single continuous perimeter enclosing the extreme limit of writing, representation, emblem or any figure or similar character, together with any material or colour forming an integral part of the display or used to differentiate such a *sign* from the background against which it is placed, and only includes one side of a double faced *sign* when the sides are back-to-back or the sides are divergent but display identical writing or other representation but facing substantially different directions, but does not include the means by which a *sign* is supported.

**Territory** has the same meaning as in the ACT (Self Government) Act 1988.

**Undercroft Parking** means that portion of a building set aside for carparking.

**Unscreened deck**, **balcony or roof terrace** excludes staircase landings having a floor area of up to 5 square metres.

**Upper floor level** (UFL) means a *finished floor level*, which is greater than 1.8 metres above *natural ground level* at any point.

**Water based recreation** means those recreational activities which depend directly (swimming, boating, *fishing*) or indirectly (landscape) on water bodies (ponds, lakes, streams) for their enjoyment.

Water storage means the retention of portion of streamflow in a pond, lake or reservoir for some period of time.

**Water uses** means the utilisation of water (instream or off-stream) for a range of beneficial purposes (swimming, *fishing*, landscape, consumption, irrigation, manufacture, cleaning, etc)

**Waterscape** means water features (either natural or impounded by *structures*) whose primary purpose is visual or aesthetic enhancement of the area.

**Waterway** means the drainage corridors, comprising natural streams, open drains and floodways, dedicated for the primary purpose of drainage of urban areas.
