

NUZ4 – River Corridor Zone

Zone Objectives

- a) Conserve the ecological and cultural values of the ACT's major river corridors
- b) Protect stream flow, water quality and flood plains from adverse impacts
- c) Ensure that the type and intensity of development is sustainable
- d) Provide opportunities for a range of ecologically sensitive water and land based recreational activities
- e) Ensure compatibility between land uses, water uses and the general character of the rivers
- f) Provide opportunities for appropriate environmental education and scientific research activities
- g) Prevent development that would significantly increase fire hazard
