IZ1 - General Industrial Zone

Zone Objectives

- Support the diversification and expansion of the ACT's industrial base and employment growth
- Facilitate investment in a wide range of industrial and related activities, with efficient land utilisation and provision of infrastructure
- c) Provide convenient access for ACT and regional residents to industrial goods, services and employment opportunities
- Make provision for transport-related businesses in locations accessible to major road, rail and air links
- e) Encourage the clustering of industrial activities according to the principles of industrial ecology
- f) Ensure that industrial development achieves high environmental standards of cleaner production, waste disposal, noise and air quality
- g) Encourage the design and construction of industrial and commercial buildings that are energy efficient, functional and flexible
- h) Ensure that development along major approach routes and major roads meets appropriate standards of urban design
- Make provision for manufacturing, warehouse and transport land uses requiring large land areas accessible to main interstate road and rail connections
- j) Ensure that the use of the land for predominantly industrial purposes is not jeopardised by the uncontrolled development of higher rent commercial uses such as retailing and offices
- k) Provide small-scale services to meet the needs of the local workforce
