

## **RZ4 - Medium Density Residential Zone**

### **Zone Objectives**

- a) Create a wide range of affordable and sustainable housing choices within a medium density residential environment to accommodate population growth and meet changing household and community needs
- b) Ensure development respects and contributes to the neighbourhood and landscape character of residential areas whilst carefully managing change in suitable locations
- c) Provide increased opportunities for medium density residential development, particularly in areas close to commercial and employment centers and along major transport corridors
- d) Achieve developments with a high standard of residential amenity in medium-density areas
- e) Provide opportunities for home based employment consistent with residential amenity
- f) Provide for a limited range of small-scale facilities to meet local needs consistent with residential amenity
- g) Promote energy efficiency and conservation and sustainable water use
