

RZ5 - High Density Residential Zone

Zone Objectives

- a) Create a wide range of affordable and sustainable housing choices within a high density residential environment to accommodate population growth and meet changing household and community needs
- b) Provide increased opportunities for high density residential development, particularly in areas close to commercial and employment centers and along major transport corridors
- c) Create an attractive and vibrant living environment with a high standard of residential amenity in a highly urbanised setting
- d) Provide opportunities for home based employment consistent with residential amenity
- e) Provide for a limited range of small-scale facilities to meet local needs consistent with residential amenity
- f) Promote energy efficiency and conservation and sustainable water use
