

Road Transport (Safety and Traffic Management) Canberra Institute of Technology Student Pre-paid Ticket Parking Scheme 2010 (No 1)

Notifiable instrument NI2010–712

made under the

Road Transport (Safety and Traffic Management) Regulation 2000, section 76 (Ticket parking schemes—road transport authority)

1. Establishment of scheme

I establish a ticket parking scheme for eligible students of the Canberra Institute of Technology ('CIT') comprising the following car parks:

- Tuggeranong carpark 1 – Block 1 Section 18, Greenway;
- City carpark 10 – Block 11 Section 33, Reid;
- City carpark 17 – Block 6 Section 3, Parkes.

2. Purpose

The purpose of the ticket parking scheme is to allow certain students with limited means to purchase a parking ticket for a semester at a concessional price so that they are not disadvantaged by the location at which their course of study is offered.

3. Eligibility

For this instrument, a student is *eligible* if–

- (a) the student is enrolled at the CIT as a full-time student and is undertaking a course of study or training at the Reid Campus or Tuggeranong Flexible Learning Centre of the CIT; and
- (b) the student produces to an authorised staff member of the CIT the following documents as evidence that the student complies with paragraph (a):
 - (i) the student's ID card which is current for the whole semester that the student is applying for a parking ticket;
 - (ii) the student's subject schedule for the semester;

- (iii) evidence that the student has received an invoice for, or paid, the tuition fees for the semester; and
- (c) the student produces to an authorised staff member of the CIT one or more of the following documents:
 - (i) Centrelink Pension Concession Card;
 - (ii) Centrelink Health Care Card;
 - (iii) AUSTUDY or ABSTUDY allowance statement; and
- (d) the student produces to an authorised staff member of the CIT a current driver licence that has been issued to the student.

4. Authorised CIT staff member

For clause 3, a staff member of the CIT is *authorised* if he or she is authorised (however described) by the CIT to issue parking tickets for use by eligible students for the ticket parking scheme.

5. Repeal

I repeal the *Road Transport (Safety and Traffic Management) CIT Ticket Parking Scheme 2005 (No 1)* instrument dated 28 January 2005.
