

Planning and Development (Environmental Impact Statement—Ngunnawal 2C) Exemption 2011 (No 1)*

Notifiable instrument NI2011–356

Made under the

Planning and Development Act 2007 s 211 (EIS not required if development application exempted)

1 Name of instrument

This instrument is the Planning and Development (*Environmental Impact Statement—Ngunnawal 2C*) Exemption 2011 (No 1).

2 Commencement

This instrument commences on the day after notification.

3 EIS not required if development application exempted

The proposed development is listed in Schedule 4 of the Act as an activity that requires an EIS to be completed. However, the proposal may be considered exempt from the EIS requirement if in the opinion of the Minister the expected environmental impact of the proposal has already been sufficiently addressed by another study or studies. Having considered the information submitted in support of the request, I consider that the proposal as submitted meets this exemption criterion.

I, Simon Corbell MLA, as the Minister responsible for the Act, advise that the proposed development of Ngunnawal 2C as identified in the attached map will not require any further environmental assessment.

A copy of the assessment report and exemption letter may be obtained from ACTPLA's website.
