STATEMENT OF REASONS

**DECISION NOT TO PROVISIONALLY REGISTER
ROYAL AUSTRALIAN NAVAL TRANSMITTING STATION AND
SYNEMON PLANA MOTH HABITAT
(Block 2 Section 6, Lawson)
IN THE ACT HERITAGE REGISTER**

Assessment

The Council has decided, at this stage, not to enter the Royal Australian Naval Transmitting Station and Synemon Plana Moth Habitat, Lawson, in the ACT Heritage Register because:

1. The place is located on National Land, and as such the *Heritage Act 2004* does not have direct effect;
2. The place's heritage values are recognised and protected in the Commonwealth Heritage List (Place ID. 105519 and 105535), and the details of any listing are included on the ACT Heritage Database, providing public access to information about the ACT's heritage.

Duplication of listing on the ACT Heritage Register therefore would provide no additional legal protection to the place, nor would it provide additional information to the public about the heritage of the ACT.
