

# Dangerous Substances (Asbestos Warning Sign) Approval 2014

## Notifiable instrument NI2014–366

made under the

**Dangerous Substances (General) Regulation 2004, section 339 (Asbestos warning signs)**

---

### 1 Name of instrument

This instrument is the *Dangerous Substances (Asbestos Warning Sign) Approval 2014*.

### 2 Commencement

This instrument commences on 1 September 2014.

### 3 Approval

I approve:

- (a) the warning sign available for collection from the Asbestos Response Taskforce at Level 5, 1 Moore Street, CANBERRA CITY which bears the attached image for affected residential premises; and
- (b) the affixing of the warning sign referred to above in paragraph 3(a) at a prominent location at:
  - i) the electricity meter board for the premises; and
  - ii) the switch board for the premises.

### 4 Note

The approved warning sign is available from the Asbestos Response Taskforce (or other locations outlined at [www.act.gov.au/asbestos](http://www.act.gov.au/asbestos)) free of charge for home owners and residents of affected residential premises.

Katy Gallagher  
Chief Minister  
19 August 2014
