Specific Approval Conditions	
Multi-Base System Software version ZANMS012 must not be configured in the field with any game that operates with its component base '0906' that is identified by the Program ID '090601X7' in the Audit Mode and in the SDB Data Block.	
Operational Conditions	
1. If a base version contained within the Multi base System Software (or the Multi Base system itself) exhibits and/or is identified with an integrity / security related fault, all instances of that Multi Base System Software must be removed from the field.	
Application Reference No.	06-A0385/S01

New Gaming Machine
