

Electricity Feed-in (Large-scale Renewable Energy Generation) FiT Entitlement Amendment 2016

Notifiable instrument NI2016–511

made under the

Electricity Feed-in (Large-scale Renewable Energy Generation) Act 2011, s11 (FiT entitlement – grant)

1 Name of instrument

This instrument is the *Electricity Feed-in (Large-scale Renewable Energy Generation) FiT Entitlement Amendment 2016*.

2 Commencement

This instrument commences on the day after notification.

3 Amendment – Section 4

I amend *Electricity Feed-in (Large-scale Renewable Energy Generation) FiT Entitlement 2015 (No 4)* (NI2015-216) by omitting section 4 and substituting:

4 Name of entitlement holder

The name of the FiT entitlement holder is Mugga Lane Solar Park Pty Limited ACN 156 565 641.

4 Amendment – Section 7

I amend *Electricity Feed-in (Large-scale Renewable Energy Generation) FiT Entitlement 2015 (No 4)* (NI2015-216) by omitting section 7 and substituting:

7 Requirements for the FiT entitlement holder's large renewable energy generator

The FiT entitlement holder's large renewable energy generator must:

1. Be located on block 1692 Tuggeranong in the Australian Capital Territory;
2. Use solar as its renewable energy source;
3. Have a generating capacity no greater than 13.0 megawatts alternating current;
4. Consists of approximately 51,000 polycrystalline photovoltaic modules; and

5. Include a minimum 0.5 megawatts direct current of polycrystalline silicon photovoltaic modules attached to ground mounted tracking devices.
