

Nature Conservation (Uriarra Crossing Recreation Area) Activities Declaration 2016

Notifiable Instrument NI2016–702

made under the

Nature Conservation Act 2014, s256 (Conservator may make activities declarations)

1 Name of instrument

This instrument is the *Nature Conservation (Uriarra Crossing Recreation Area) Activities Declaration 2016*.

2 Commencement

This instrument commences on the day after its notification day.

3 Application

This instrument applies to the area outlined in bold and shown as “Special Purpose Reserve” in the map in schedule 1 as the Uriarra Crossing Recreation Area.

Note: Under section 169 of the *Nature Conservation Act 2014* (the **Act**) the area of Uriarra Crossing Recreation Area is a ‘reserve’ because the area is public land reserved in the Territory Plan as a Special Purpose Reserve under section 315(d) of the *Planning and Development Act 2007* and prescribed by section 5 of the *Nature Conservation Regulation 2015* as a reserve.

4 Declaration

I declare that in Uriarra Crossing Recreation Area:

- (a) an activity listed in column 1 of schedule 2 is prohibited;
- (b) an activity listed in column 2 of schedule 2 is restricted and may only be carried out if the requirements applying to the activity are complied with.

Note 1: If an activity is a ‘prohibited activity’ it means the activity cannot be carried out in any circumstance in the reserve. For example ‘camping’ is declared to be a prohibited activity. This means that camping cannot be carried out in the Uriarra Crossing Recreation Area under any circumstances.

Note 2: If an activity is a 'restricted activity' it means that it may only be carried out if the requirements applying to the activity are complied with. For example, 'use of non-motorised vehicles including bicycles' is declared to be a restricted activity. This means that riding a bicycle cannot be carried out in the reserve unless the requirements are complied with. In this case, the requirements are that riding of a bicycle must be on sealed roads and marked management trails only.

Note 3: The Act includes general offences which apply to all reserves (including Uriarra Crossing Recreation Area). The Act may be found at <http://www.legislation.act.gov.au/a/2014-59/default.asp>.
