

Australian Capital Territory

Dangerous Substances (Display Case) Approval 2020

Notifiable instrument NI2020–359

made under the

Dangerous Substances (General) Regulation 2004, s 339(2) (Asbestos warning signs and display case—approval)

1 Name of instrument

This instrument is the *Dangerous Substances (Display Case) Approval 2020*.

2 Commencement

This instrument commences on the commencement of the *Loose-fill Asbestos Legislation Amendment Act 2020*, section 2.

3 Approval

I approve a display case which:

- (a) is clear and large enough to contain an A4-sized document; and
- (b) has a flip-top lid which overhangs the body; and
- (c) has an approved warning sign placed on either the lid or face of the display case; and
- (d) is affixed at a prominent location near the main entrance of an affected residential premises.

Note 1 An approved display case will be provided by the Asbestos Response Taskforce free of charge.

Suzanne Orr MLA
Minister for Employment and Workplace Safety
