

# Environment Protection (Declared Agvet Chemical Products and Approved Training) Declaration 2022 (No 1)

Notifiable instrument NI2022–212

made under the

Environment Protection Regulation 2005—  
section 55D (Declared agvet chemical products)  
section 55E (Approved VET course units of competency)  
section 55H (Training—use of declared avicides)

---

## 1 Name of instrument

This instrument is the *Environment Protection (Declared Agvet Chemical Products and Approved Training) Declaration 2022 (No 1)*.

## 2 Commencement

This instrument commences on the commencement of the *Environment Protection Amendment Regulation 2021 (No 1)*, section 3.

## 3 Definitions

In this instrument:

***agricultural chemical product***—see the Regulation, section 53.

***approved label***, for a registered agvet chemical product—see the Regulation, section 53.

***approved VET course unit of competency***—see the Regulation, section 55E.

***declared agvet chemical product***—see section 4.

***instruction*** on the approved label for a registered agvet chemical product—see the Regulation, section 53.

***Regulation*** means the *Environment Protection Regulation 2005*.

***registered***, for an agvet chemical product—see the Regulation, section 53.

***restricted agvet chemical product***—see the Regulation, section 55C.

***schedule 7 poison***—see the Regulation, section 55C.

*veterinary chemical product*—see the Regulation, section 53.

*VET course*—see the Regulation, section 55C.

**4 Declared agvet chemical products—Regulation s 55D**

A restricted agvet chemical product, or an agricultural chemical product containing a schedule 7 poison, mentioned in item 1 to 5 in schedule 1, column 3 is declared for the provision of the Regulation mentioned in the column for the item.

**5 Approved training for use of declared agvet chemical products—Regulation s 55E**

A VET course unit of competency mentioned in an item in schedule 1, column 4 is an approved VET course unit of competency for the provision of the Regulation mentioned in the column for the item.

*Note* Details about the units of competency are accessible at [training.gov.au](http://training.gov.au).

**6 Approved avicide training course—Regulation s 55H**

The following training course is an approved avicide training course for the Regulation, section 55H (Training—use of declared avicides):

Pest Bird Management Using Avicides Workshop,  
jointly provided by Garrards Pty Ltd (ACN 010 648 325) and ProTrain  
Training Consulting Services (ACN 131 945 741)

David Power  
Environment Protection Authority  
22 April 2022

# Schedule 1      Declared agvet chemical products and approved training

(see s 4 and s 5)

column 1 item	column 2 section	column 3 declared agvet chemical products	column 4 approved VET course units of competency
1	55F	55F (1)	55F (3) (a)
		<i>declared liquid fumigant</i> means a liquid fumigant that is an agricultural chemical product containing a schedule 7 poison.	CPPUPM3011—Manage organisms by applying fumigants to commodities and environments
2	55G	55G (1)	55G (3) (a)
		<p><i>declared vertebrate poison</i> means—</p> <p>(a) a vertebrate poison that is a restricted agvet chemical product containing—</p> <p>(i) 4-aminopropiophenone (also known as PAPP); or</p> <p>(ii) sodium monofluoroacetate (also known as 1080); or</p> <p>(iii) pindone that is a concentrate and for which the relevant label instructions require further mixing with carriers before it is ready to use as a bait; or</p> <p>(b) a vertebrate poison that is an agricultural chemical product containing the schedule 7 poison strychnine.</p>	<p>Both—</p> <p>(a) AHCCHM304—Transport and store chemicals; and</p> <p>(b) AHCCHM307—Prepare and apply chemicals to control pest, weeds and diseases</p>
3	55H	55H (1)	55H (3) (a)
		<p><i>declared avicide</i> means—</p> <p>(a) an avicide that is a restricted agvet chemical product containing—</p> <p>(i) alphachloralose; or</p> <p>(ii) 4-aminopyridine; or</p> <p>(b) an avicide that is an agricultural chemical product containing a schedule 7 poison if the instructions on the approved label for the product relate to controlling an avian pest</p>	<p>the VET course units of competency approved for the Regulation, s 55K</p> <p><i>Note</i>      The approved avicide training course mentioned in s 6 is also required.</p>

column 1 item	column 2 section	column 3 declared agvet chemical products	column 4 approved VET course units of competency
4	55I	55I (1)	55I (3) (a)
		<p><b><i>declared industrial timber treatment</i></b> means—</p> <p>(a) an industrial timber treatment that is a restricted agvet chemical product with formulation containing, as active constituents, all 3 of the following in any chemical form:</p> <ul style="list-style-type: none"> <li>(i) copper;</li> <li>(ii) chromium;</li> <li>(iii) arsenic; or</li> </ul> <p>(b) an industrial timber treatment that is an agricultural chemical product containing a schedule 7 poison, if the instructions on the approved label for the product relate to treating timber.</p>	FWPSAW3242—Treat timber
5	55J	55J (1)	55J (3) (a)
		<p><b><i>declared termiticide</i></b> means a termiticide that is a restricted agvet chemical product that is a pre-construction termiticide product containing bifenthrin or chlorpyrifos.</p>	<p>All of the following:</p> <ul style="list-style-type: none"> <li>(a) CPPUPM3006—Manage pests by applying pesticides;</li> <li>(b) CPPUPM3008—Inspect for and report on timber pests;</li> <li>(c) CPPUPM3010—Control timber pests;</li> <li>(d) CPPUPM3018—Maintain equipment and pesticide storage area in pest management vehicles</li> </ul>

column 1 item	column 2 section	column 3 declared agvet chemical products	column 4 approved VET course units of competency
6	55K	55K (1)	55K (3) (a)
		<p>other agricultural chemical products containing schedule 7 poisons</p> <p><i>Note</i> The Regulation, section 55K applies to agricultural chemical products containing schedule 7 poisons that are not otherwise mentioned in items 1-5 in this table, for example, insecticides, rodenticides, nematocides, herbicides, fungicides and solid form fumigants.</p>	<p>Either—</p> <p>(a) both—</p> <p>(i) AHCCHM304—Transport and store chemicals; and</p> <p>(ii) AHCCHM307—Prepare and apply chemicals to control pest, weeds and diseases;</p> <p>or</p> <p>(b) both—</p> <p>(i) CPPUPM3006—Manage pests by applying pesticides; and</p> <p>(ii) CPPUPM3018—Maintain equipment and pesticide storage area in pest management vehicles;</p> <p>or</p> <p>(c) both—</p> <p>(i) FBPVIT3009—Monitor and control vine disorders and damage; and</p> <p>(ii) AHCCHM201—Apply chemicals under supervision</p>
7	55L	55L (1)	55L (3) (a)
		<p>registered veterinary chemical products containing schedule 7 poisons</p> <p><i>Note</i> The Regulation, section 55L applies to all registered veterinary chemical products containing schedule 7 poisons.</p>	<p>Both—</p> <p>(a) AHCCHM304—Transport and store chemicals; and</p> <p>(b) AHCCHM307—Prepare and apply chemicals to control pest, weeds and diseases</p>
