"The Ordinance" means the *Public Health Ordinance* 1928-1930.

PART II.—ADULTERATION, LABELLING AND FALSE DESCRIPTION OF FOODS OR DRUGS.

4. A food or a drug shall be deemed to be adulterated—

Conditions of
adulteration.

- (a) if it contains or is mixed with any substance in any quantity or in any proportion which diminishes in any manner its nutritive or other beneficial properties compared with the same in a pure and normal state and in an undeteriorated and sound condition or which in any manner operates or may operate to the prejudice or disadvantage of the purchaser or consumer;
- (b) if it contains or is mixed or diluted with any substance of lower commercial value than the same food or drug in a pure and normal state and in an undeteriorated and sound condition;
- (c) if any substance, constituent or ingredient has been wholly or in part extracted, abstracted or omitted from it, and as a result its nutritive or other beneficial properties are less than those of the same food or drug in its pure and normal state, or the purchaser or consumer is or may be in any manner prejudiced or disadvantaged;
- (d) if, either wholly or in part, it does not comply with the prescribed standard;
- (e) if it contains anything, the use of which is prohibited by the Ordinance;
- (f) if it contains any substance in excess of the prescribed quantity or proportion of such substance;
- (g) if it is mixed, coloured, powdered, coated, stained or treated in any manner whereby damage, deterioration, inferiority, or true character or quality is or may be concealed;
- (h) if it consists wholly or in part of, or is mixed with, any filthy, decomposed or putrid animal or vegetable substance or of any portion of an animal or vegetable unfit for use as or in a food or drug, whether manufactured or not, or it has not been sufficiently cleaned or purified;
- (i) if it is the product of a diseased animal, or of one which has died otherwise than by slaughter;
- (j) if it is damaged, deteriorated or perished;
- (k) if, being a food, it contains methyl alcohol or, not having paid Excise duty, it contains more than two parts per centum of proof spirit; or
- (l) if another substance has been substituted, wholly or in part, for such food or drug:

Provided that in any proceeding under these Regulations for selling a food or drug to which paragraph (a) or paragraph (b) of this regulation applies, the food or drug shall not be deemed to be adulterated if it is sold as a mixture in the prescribed manner.

5.—(1.) Except in the case of packages exempted by the Minister by notification in the *Gazette*, there shall be legibly and durably printed, stencilled, impressed or marked on or attached to every package containing any food or drug a label which shall set out the following particulars, and shall, if so required elsewhere in these Regulations, be of the prescribed form and kind:—

Labelling of
packages.

- (a) In the case of a package of any food or drug—
 - (i) the trade name or description;
 - (ii) the net weight or number or true measure or volume of the contents of the package;
 - (iii) the name and business address of the manufacturer or packer or vendor of the contents of the package;
 - (iv) the place of manufacture within Australia or the country of origin outside Australia; and
 - (v) any other prescribed particulars, directions, statements, information or words;

(b) In the case of a package of any food—

- (i) whether the contents of the package are compounded, imitated, mixed, or blended;
- (ii) whether in such food any substance used in the preservation thereof is present, and, if so, the nature and the quantity or proportion of the substance; and
- (iii) whether any colouring or flavouring is present in such food and, if so, the nature of such colouring or flavouring; and

(c) In the case of any package containing any specified drug or any compound or mixture of which any specified drug forms a part—the name of the specified drug and the quantity or proportion thereof in the package or the compound or mixture.

(2.) In this Regulation, “specified” means specified by the Minister by notification in the *Gazette*, and “packer” means any person or body of persons causing the contents of any package to be packed therein.

False
description.

6. A food or drug shall be deemed to be falsely described—

(a) If it is in a package, and—

- (i) the contents of the package as originally put up have been removed in whole or in part, and other contents have been placed in the package; or
- (ii) it fails to bear on the package, or on a label on or attached thereto, a statement of the quantity or proportion of any morphine, opium, cocaine, heroin, alpha-eucaine or beta-eucaine, chloroform, cannabis indica, chloral hydrate, acetanilide, phenacetin or any soporific or hypnotic substance or any derivative or preparation of any such substances contained therein; or
- (iii) the package or any label on or attached thereto or any advertisement, circular, or sign relating thereto bears a statement, word, brand, mark, design or device regarding the nature, quality, strength, purity, composition, origin, age, or proportion of the food or drug, which is false or misleading in any particular;

(b) In the case of imported goods, if it has not applied thereto the trade or other descriptions as required for its importation under any law of the Commonwealth for the time being in force, or if it has applied thereto a false trade or other description within the meaning of any such law;

(c) If it is an imitation of or is offered for sale under the distinctive name of another food or drug;

(d) If it is labelled or marked so as to deceive, or as to be likely to deceive or mislead the purchaser, or purports to be an imported article when it is not such;

(e) If it is sold under a name which conveys or is likely to convey false indication of origin, character, or place of manufacture, or to lead the purchaser to suppose that it is any other food or drug or product thereof; or

(f) If it is not packed and labelled in the prescribed manner.

Standard
for drugs.

7. Any drug sold under any name included in the British Pharmacopoeia which does not comply with the description given of and tests specified for such drug in the British Pharmacopoeia shall, unless such drug is included in a list of exceptions published in the *Gazette* under the authority of the Minister, be deemed to be a drug which is not of the substance of the drug demanded by the purchaser.

PART III.—SALE OF FOODS AND DRUGS.

Selling by
self or agent.

8. Any person shall be deemed to sell any food, drug, or article, who sells the same either on his own account, or as the agent or servant of any other person.

Sale of
adulterated
food an
offence.

9. Any person who sells any food or drug which is adulterated or falsely described or which is packed or enclosed for sale or labelled in any manner contrary to these Regulations shall be guilty of an offence.

10. Any person who—

- (a) mixes, or causes or permits to be mixed for purposes of sale, with any food any ingredient or material which the Minister, by notice in the *Gazette*, declares to be an injurious ingredient or colour, or causes or permits to be coloured any food with any ingredient or material so declared to be injurious, or sells any food so mixed or coloured;
- (b) mixes or causes or permits to be mixed for purposes of sale, any ingredient or material with any drug, or colour, or causes or permits to be coloured any drug, so as to affect injuriously the quality or potency of such drug, or sells, any drug so mixed or coloured;
- (c) mixes or causes or permits to be mixed for purposes of sale any ingredient or material with any food or drug in order thereby fraudulently to increase its weight, bulk or measure, or to conceal its inferior quality;
- (d) sells any food or drug mixed with any ingredient or material whereby the weight, bulk or measure of such food or drug has been fraudulently increased, or its inferior quality concealed;
- (e) sells any food or drug which is not of the nature, substance or quality of the food or drug demanded by the purchaser; or sells any quantity of food or drug less in weight or measure than the weight or measure or number demanded and paid for by the purchaser; or
- (f) sells any compounded food or drug which is not composed of ingredients in accordance with the demand of the purchaser;

Sale under certain conditions an offence.

shall be guilty of an offence.

11. In any prosecution under these Regulations, it shall be no defence to prove that—

Certain contentions not a defence.

- (a) the food or the drug, the subject of the prosecution, though defective in nature or in substance or in quality, was not defective in all three respects; or
- (b) the purchaser, having bought only for analysis, was not prejudiced by such sale.

12.—(1.) When any person sells a food or drug which is a mixture, the ingredients shall be pure and in an undeteriorated and sound condition.

Contents of a mixture must be pure.

(2.) The vendor shall deliver the mixture to the purchaser in a package, on or attached to which is a label stating that the food or drug is a mixture and the names of the ingredients legibly and uniformly written and the names and proportions of the ingredients as prescribed.

(3.) Notwithstanding anything contained in the last preceding sub-regulation, it shall not be necessary to supply a label in the case of—

- (a) a food or drug generally known to users as a compounded article or a drug not recognized by the British Pharmacopoeia, if the food or drug is mixed with any ingredient or material not injurious to health and not intended fraudulently to increase its bulk, weight, or measure, or to conceal its inferior quality;
- (b) a drug supplied by prescription or order signed by a registered medical practitioner for his patient, or a drug compounded and supplied by a registered pharmaceutical chemist; or
- (c) a mixture exempted from this section by the Minister by notice published in the *Gazette*.

(4.) Any person who sells any food or drug which is a mixture in respect of which this Regulation has been contravened or has not been complied with, shall be guilty of an offence.

13.—(1.) The Minister may, by notification in the *Gazette*, prohibit the advertising or sale of—

Prohibition of sale of injurious drugs.

- (a) any food or drug; or
- (b) any article or apparatus alleged to be useful or efficacious in relieving human suffering, or in curing, overcoming or alleviating any physical defect,

which, in his opinion, is injurious to life or health, or which by reason of its inactivity or inefficiency is useless for the advertised purposes:

Provided that no such notification shall be made until a reasonable opportunity has been given to the manufacturer, importer, vendor, or owner of such food, drug, or article, or his agent, to place his objections to the proposed notification before the Minister.

(2.) Any person who advertises or sells any food, drug or article in contravention of any such notification and any person who prints any advertisement so notified, and any proprietor or manager of a newspaper or other public print who publishes any advertisement so notified, shall be guilty of an offence.

Provided that nothing in this sub-regulation shall apply to the advertisement of drugs in *bona fide* trade journals or price lists by or on behalf of manufacturers to the retail trades only, or to the sale of drugs supplied by prescription or order signed by a registered medical practitioner or by him given to his patient or to any other person on behalf of such patient.

Forbidding
impurities in
utensils.

14. A person shall not, unless as prescribed, sell or offer for sale or use in the manufacture, preserving, storage or transit of any food for any purposes of sale any cooking utensil or any appliance—

- (a) consisting wholly or in part of lead or of any metal alloy containing more than ten per cent. by weight of lead; or
- (b) soldered (where in contact with any food) with a metal alloy containing more than ten per cent. by weight of lead; or
- (c) tinned inside with a metal alloy containing more than one per cent. by weight of lead; or
- (d) containing enamel, glaze, india-rubber, or gutta-percha which, on boiling for 30 minutes with dilute acetic acid containing four per cent. by weight of acetic acid yields lead to the latter; or
- (e) containing more than one-fourth of a grain of arsenic per pound of metal alloy, enamel, glaze, india-rubber or gutta-percha.

Forbidding
use of certain
toxic
substances.

15. A person shall not sell—

- (a) any toy; or
- (b) any wallpaper, decorative paper, or paper serviettes, or paper used in the enclosure of any food for sale,

in or upon which there is any paint, colour, facing, dressing, size, or varnish containing arsenic or antimony in any form or compound.

Sale of
disinfectants
and
proprietary
remedies.

16.—(1.) The Minister may, by notice in the *Gazette*, prohibit the sale of—

- (a) any substance or compound as a disinfectant, germicide, antiseptic or preservative; and
- (b) any patent or proprietary medicine which the Director-General certifies to be deleterious to health.

(2.) Any person who sells any substance, compound, or medicine in contravention of this Regulation shall be guilty of an offence.

(3.) For the purposes of this Regulation "patent or proprietary medicine" means any medicine or medicinal preparation for external or internal use which the maker or vendor has any exclusive right to make under the authority of letters patent, or which is recommended to the public by advertisement, price-list, handbill or label for the prevention, cure, or relief of any human ailment or physical defect.

(4.) The Director-General may require such information or directions concerning disinfectants, germicides, antiseptics, or preservatives, as he deems fit to be set out on labels attached or affixed to packages containing the same.

(5.) Any person who sells or exposes for sale any substance or compound under the name or description of or with intent that it may be used as a disinfectant, deodorizer, germicide, preservative, antiseptic, sanitary powder, or sanitary fluid, without disclosing the name or names of such substance or compound, and the percentage of the active ingredients contained in the same, by a label distinctly and legibly written or printed on or with the substance or compound, shall be guilty of an offence.

Examination
of foods,
drugs or
appliances.

17.—(1.) The Director-General may cause to be examined any food drug, article, or appliance which is advertised, exhibited, or offered for sale, for the purpose of ascertaining its composition and properties, and shall compare the results of the examination with any advertisement which relates to the food, drug, article, or appliance, and with the price at which it is sold, and shall prepare and forward to the Minister a report thereon, and such report may include any comment which the Director-General thinks desirable in the public interest.

(2.) The Director-General may, thereupon, with the approval of the Minister, cause the report to be published in any newspaper or public

print which circulates within the Territory, and to be distributed among the public in any other way, and no action or legal proceeding shall be brought or instituted for or on account of or in respect of any such publication.

(3.) Any proprietor or manager of a newspaper or public print may republish any such report and no action or legal proceeding shall be brought or maintained against such proprietor or manager for or on account of or in respect of the re-publication.

(4.) In this Regulation "appliance" includes any instrument or contrivance which is advertised, exhibited, or offered for sale as of use for curative purposes.

18.—(1.) In any proceeding under these Regulations with respect to any food or drug, the standard prescribed by the Ordinance shall be the standard, or if no such standard is prescribed in respect of any drug, the standard specified in the British Pharmacopoeia shall be taken as the standard. Standards for foods and drugs.

(2.) Any inspector, officer or purchaser of any food or drug for which a standard exists shall, in the absence of proof to the contrary, be deemed to have demanded the standard quality of such food or drug.

(3.) Any food or drug for which a standard exists shall, for the purposes of these Regulations, be deemed to be pure if it is in conformity with such standard.

PART IV.—POWERS OF INSPECTION AND SAMPLING.

19.—(1.) Any inspector or authorized officer may—

- (a) enter and inspect any place which he has reasonable ground for believing is kept or used for the making, manufacture, sale, storage, delivery, conveyance, or preparation for sale of any article used, or which he has reasonable ground for suspecting is intended to be used, as a food or drug or which he has reasonable ground for suspecting is an article the sale of which is prohibited under these Regulations, and inspect any such article;
 - (b) inspect any article used or which he has reasonable ground for suspecting is intended to be used as a food or drug, or which he has reasonable ground for suspecting is an article, the sale of which is prohibited under these Regulations, and which is being conveyed through or on any street, or by railway or other means of transit, apparently for the purposes of trade, sale or delivery;
 - (c) examine and open any such article or any package enclosing the same in any place;
 - (d) remove for examination or analysis any such article or portions or samples of any such article;
 - (e) inspect and for that purpose, where deemed necessary, open up, take apart, and test any appliance or utensil used in the manufacture, preparation, storing, preservation, packing, delivering, or serving of any food or drug;
 - (f) seize any such article, appliance, or utensil which is, or appears to him to be, injurious or unwholesome or unfit for use, or to be an article, the sale of which is prohibited under these Regulations, and any package enclosing or containing the same; and
 - (g) without limiting the foregoing powers, enter any licensed or registered premises where spirits are sold, and with or without purchasing or taking any quantity, test the alcoholic strength of such spirits.
- Powers of inspection and sampling.

(2.) When any such article is usually made, manufactured, sold, delivered, conveyed or prepared for sale during the night, the entry and inspection may be made at any reasonable hour in the day or night; otherwise the entry and inspection shall be made at a reasonable time in the day.

(3.) An inspector or authorized officer taking and removing for analysis any article of food or drug shall at the time notify his intention of having the article analysed to any person then present who is the owner or his agent or servant, or to any person who is in charge of the article.

(4.) Upon declaration by an inspector or authorized officer that any sample is being taken for purposes of examination or analysis under these Regulations, the sample when taken by the inspector or authorized officer shall be regarded for all purposes of these Regulations as having been sold or offered for sale.

(5.) Any person who refuses to permit an inspector or authorized officer to take any sample in accordance with this Regulation, shall be guilty of an offence.

(6.) The inspector or authorized officer having taken any sample shall divide it into three parts, and shall label or mark and seal or fasten up each part in such manner as its nature permits, and shall then deliver one of the parts to the owner, agent, servant or person in charge of the article, shall retain one of the parts for future comparison, and shall submit the third part to an analyst appointed by the Minister:

Provided that when any article is contained in a bottle, tin, or other package in such quantity that its division into three parts would furnish portions insufficient for accurate analysis, additional bottles, tins, or packages which purport to contain a similar food or drug under the same brand or label, may be taken or obtained, and the contents of two or more bottles, tins or packages may be mixed together and the mixture divided as prescribed.

(7.) Any certificate issued by any analyst appointed by the Minister shall be deemed to be sufficient evidence in any Court as to the facts therein stated.

(8.) In the case of any food or drug or article having been removed or seized by any inspector or authorized officer in accordance with this Regulation, the inspector or authorized officer shall forthwith deliver or forward a portion marked and sealed or fastened up in such a manner as its nature permits to the consignor or manufacturer thereof if his name and address are on or attached to the food or drug or article or any package enclosing or containing the same, and if the address is in the Territory; otherwise, the portion shall be delivered or forwarded to the owner of the article seized or the person in whose possession it has been found:

Provided that where the article removed or seized is liable to decomposition the officer may, in lieu of delivering or forwarding the article as prescribed, forthwith place the same in cold storage, and shall thereupon notify that fact to the consignor, manufacturer, owner, or person in whose possession it has been found.

PART V.—PROTECTION OF FOOD AND DRUGS FROM CONTAMINATION.

Handling of
food by
infected
persons.

20. Any person who is—

(a) suffering from any infectious disease, skin eruption or venereal disease; or

(b) wearing unclean or medicated bandages,

shall not engage in or be employed in the manufacture, manipulation, preparation, handling, storage or sale of food or drugs.

Examination
of persons
handling food.

21.—(1.) The Medical Officer of Health or an authorized medical practitioner may examine any person so employed who is suspected of suffering from any infectious or contagious disease, and any person who refuses to submit to such examination on being required by an inspector or authorized officer so to do, or to any process of clinical or bacteriological examination ordered in writing by the Director-General, shall be guilty of an offence.

(2.) When, as the result of any such examination, it has been ascertained that any such person is liable to convey the germs of disease to a consumer of any food or drug, the Director-General may by order in writing direct that any such person shall forthwith discontinue or refrain from any work connected with the preparation, handling, serving, delivering, or other dealing with any article of food or drug for sale and discontinue or refrain from any handling or other dealing with any utensil or receptacle in which, or on which, any such food or drug is kept or served, and that he shall not resume any such work until he receives from the Director-General written permission to such effect.

(3.) Any person who fails to comply with any order of the Director-General given in pursuance of the last preceding sub-regulation or who resumes any such work before he is authorized in writing by the Director-General so to do shall be guilty of an offence.

Cleanliness of
persons.

22. Every person who is engaged in the manufacture, preparation, storage, packing, carriage, or delivery of food or drugs for sale shall, when so engaged, maintain his clothing and his body clean.

Offensive
habits
forbidden.

23. Any person who spits or chews or smokes tobacco while engaged in the manufacture, packing, or storing of any food or drug for sale, or in any place used for the manufacture or preparation of such food or drug, shall be guilty of an offence:

Provided that this Regulation shall not apply to the packing or storing of any food or drug which is enclosed in an hermetically sealed container.

24. Every person who is in possession of any food or drug for sale, or who is engaged in the manufacture, preparation, storage, package, carriage or delivery of any food or drug for sale, shall keep all receptacles, implements, vehicles, articles, utensils, tools of trade, benches, fittings, machinery, and other appliances used for or in connexion with food or drugs for sale, clean, free from dust, foul odours, flies or other insects.

All appliances to be kept clean.

25. A person shall not sell food or manufacture, prepare, serve, pack, store, or offer, or expose for sale any article of food, or a drug—

Places for keeping food must be clean.

(a) in any place which is at any time used as a sleeping apartment, or which is in direct communication with a sleeping apartment, or with any stable, urinal, privy, or water-closet;

(b) in any place in which anything is kept, or any animal is allowed to be, or any work is carried on, whereby such article of food or drug is liable to be contaminated or its wholesomeness or cleanliness injuriously affected; or

(c) in any place the use of which for this purpose has been prohibited by the Director-General in writing.

26. A person shall not use any receptacle or any vehicle which is not clean in the carriage or delivery of any food or drug for sale or use any such receptacle or vehicle for the carriage or containing of any matter whereby the wholesomeness, cleanliness, and freedom from contamination of any food or drug for sale carried or contained or usually carried or contained in the vehicle or receptacle would or might be endangered.

Vehicles and receptacles must be clean.

27.—(1.) Every person who sells any food which is ordinarily consumed in the state in which it is sold shall protect such food, until it is delivered to a purchaser, from dust, flies or other insects, or any unwholesome matter by storage in covered receptacles, by covering with gauze, or by other effectual means.

Protection from dust, insects, &c.

(2.) A vendor shall not carry any food through any street unless it is protected in accordance with this Regulation.

28. A person shall not sell any article of food, which is ordinarily consumed in the same state in which it is sold, so packed that it can come into contact with paper or other material which is not clean, or with any writing or printing upon any paper or other material.

Packing material must be clean.

29. A person shall not expose without adequate protection against flies and dust any article of food (other than fruit or vegetables) which is ordinarily consumed in the same state in which it is sold, in any window-space which is not so constructed as to protect the food from flies and dust, or in any other place unless the food is protected to the satisfaction of an inspector from flies and dust.

Food exposed in windows.

30. A person shall not without the written permission of the Medical Officer of Health display or have any food for sale in any street or in any open place within the City Area, as defined in the *City Area Leases Ordinance 1924-1929*.

Prohibition of sale of food in streets.

31.—(1.) A person shall not in any public or private bar, restaurant, dining-room, tea-room, refreshment stall or booth, or in any place where food is sold, use any drinking vessel, spoon, fork, or other utensil used in connexion with cooking, eating, or drinking unless such vessel or utensil has been thoroughly cleansed with clean water and is clean.

Food utensils must be clean.

(2.) In any place where clean water under pressure is available or can be made available, the cleansing of all such vessels or utensils shall be done by means of clean running water.

32. A person shall not use or have in his possession for use for the delivery of food for sale any drinking vessel, of which any edge liable to come into contact with the mouth or lips is broken or rough.

Broken drinking vessels forbidden.

33. The proprietor of every retail shop wherein food is sold for consumption on the premises shall provide and maintain in a convenient position on his premises for the use of persons employed by him adequate washing appliances for the hands, together with a sufficient supply of soap and clean water, and a sufficient supply of clean towels.

Ablution facilities for workers.

Protection of
food in
transit.

34. A person shall not carry for sale or delivery on the footboard or exterior of any vehicle any bread, meat, milk, or any article of food which is usually consumed in the same state in which it is sold, unless it is so enclosed, or contained in a receptacle so constructed, as to prevent such article of food from being contaminated by flies or dust.

Fertilizer bags
forbidden.

35. A person shall not enclose or carry or store any wheat, oats, maize, potatoes, onions, fruit, or any other article of food for sale in any bag or sack or similar receptacle which has at any time contained, or has been used for the conveyance of bone-dust or superphosphate or any other manure or mixture of manures, or any other poisonous or harmful material.

Clothes
boilers
forbidden.

36. A person shall not use for the preparation of ice-cream, ices, or other food for sale, or for the cleansing or sterilization of any article used to contain food, any vessel or copper boiler which is used for boiling clothes.

Vessels shall
be easily
cleaned.

37. A person shall not use any receptacle, vessel, appliance, or vehicle in connexion with the preparation, storage, packing, carriage, or delivery of any food for sale, unless the receptacle, vessel, appliance, or vehicle is constructed of such material and in such a manner as to be easily cleansed and kept clean.

Clean cloths
for polishing
fruit.

38. A person shall not use for the purpose of wiping or polishing fruit or any other food for sale any rag or cloth other than a proper duster kept solely for the purpose, and which is maintained in a clean condition; or use for the purpose of wiping or polishing fruit or any other food for sale any rag or cloth which consists or is composed of any wearing apparel or bed linen.

Cleanliness
of premises.

39. The occupier of every business or place where food for sale is produced, handled, manufactured, prepared, packed, kept or served shall cause such premises or place to comply with the following conditions:—

- (a) The premises or place shall be maintained at all times in a clean, serviceable and sanitary condition;
- (b) The premises or place shall be maintained in such condition as to prevent the ingress or egress of rats, and all practicable measures for the destruction of rats and other vermin on the premises shall be taken;
- (c) Every place used in connexion with the manufacture, preparation, serving, or keeping of food shall be adequate in size and properly enclosed, floored and ceiled;
- (d) Every room shall be effectively ventilated and lighted with natural light to the satisfaction of an inspector;
- (e) Every place shall be provided with effective sub-floor ventilation unless the floor be of concrete or similar impervious material;
- (f) An efficient supply of clean water under pressure and wash basins freely accessible to all persons employed in the ratio of one to every ten persons employed on the premises and an adequate supply of soap and clean towels shall be provided;
- (g) Every yard, shed, outbuilding or stable appurtenant to the premises, or lane or street contiguous to the premises shall be kept clean and free from packing cases, lumber, garbage, rubbish, offensive material and manure and all material essential to the business shall be kept packed or stacked as to prevent harbourage for rats or other vermin;
- (h) The external portion of every premises shall be maintained at all times in a clean and sanitary condition. Every window shall be kept clean and whole, and all painted surfaces and woodwork of such exterior portion shall be scrubbed and cleansed with soap and water as often as is necessary to remove dirt and grease; and
- (i) Adequate sanitary conveniences, as prescribed, shall be provided and shall not be situated in any room or place where food is manufactured, prepared, or kept and every sanitary convenience shall be so situated as to be completely cut-off from any such room or place by cross ventilation.

40. The occupier of every business or place where food for sale is produced, handled, manufactured, prepared, packed, kept or served shall, when required in writing by the Director-General—

Structure of premises.
