

Australian Capital Territory

Land (Planning and Environment) Regulation 1992

SL1992-5

made under the

Land (Planning and Environment) Act 1991

Republication No 21

Effective: 21 April 2006 – 25 May 2006

Republication date: 21 April 2006

Last amendment made by SL2006-13

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Land (Planning and Environment) Regulation 1992*, made under the *Land (Planning and Environment) Act 1991* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 21 April 2006. It also includes any amendment, repeal or expiry affecting the republished law to 21 April 2006.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date is—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Australian Capital Territory

Land (Planning and Environment) Regulation 1992

made under the

Land (Planning and Environment) Act 1991

Part 1 Preliminary

1 Name of regulation

This regulation is the *Land (Planning and Environment) Regulation 1992*.

2 Dictionary

The dictionary at the end of this regulation is part of this regulation.

Note 1 The dictionary at the end of this regulation defines certain terms used in this regulation, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*subdivision*—see the Act, section 159.’ means that the term ‘subdivision’ is defined in that section and applies to this regulation.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire regulation unless the definition, or another provision of the regulation, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and 156 (1)).

3 Meaning of terms used in plan etc

- (1) Terms used in the plan have the same respective meanings in this regulation.
- (2) A reference in this regulation to an area by a land use description (for example, ‘residential area’ or ‘group centre area’) is a reference to the area subject, under the plan, to the land use policy having that description.

4 Notes

A note included in this regulation is explanatory and is not part of the section.

Note See the Legislation Act, s 127 (1), (4) and (5) for the legal status of notes.

Part 2 Environmental assessments

5 Content of public environment reports and environmental impact statements

For the Act, section 120 (a), the following matters are prescribed:

- (a) a statement setting out—
 - (i) the proposal to which the public environment report or environmental impact statement relates; and
 - (ii) the objectives of the proponent in seeking the defined decision to which the proposal relates; and
 - (iii) any means known to the applicant of achieving the objectives specified under subparagraph (ii) other than means that require the defined decision; and
 - (iv) the method by which it is proposed that effect should be given to the defined decision; and
 - (v) any other methods known to the proponent by which effect could be given to the defined decision; and
 - (vi) in relation to each method of giving effect to the defined decision specified under subparagraph (iv) or (v)—
 - (A) the parts of the environment that would be affected by giving effect to the defined decision by that method; and
 - (B) any environmental standards that the proponent would adopt in giving effect to the defined decision by that method; and
 - (C) any environmental safeguards that the proponent would adopt in giving effect to the defined decision by that method; and

- (vii) in relation to each means of achieving the objectives of the proponent in seeking the defined decision that are specified under subparagraph (iii)—
 - (A) the parts of the environment that would be affected in achieving the objectives by those means; and
 - (B) any environmental standards that the proponent would adopt in achieving the objectives by those means; and
 - (C) any environmental safeguards that the proponent would adopt in achieving the objectives by those means;
- (b) a detailed technical assessment in relation to each method of giving effect to the defined decision specified under paragraph (a) (iv) or (v) of—
 - (i) the environmental impact of giving effect to the defined decision by that method; and
 - (ii) the effectiveness of the adoption of any environmental standards specified in relation to the method under paragraph (a) (vi) (B); and
 - (iii) the effectiveness of the adoption of any environmental safeguards specified in relation to the method under paragraph (a) (vi) (C); and
 - (iv) the consequences of not adopting any environmental standards specified in relation to the method under paragraph (a) (vi) (B) and any environmental safeguards specified in relation to the method under paragraph (a) (vi) (C);
- (c) a detailed technical assessment in relation to each means of achieving the objectives of the proponent in seeking the defined decision that are specified under paragraph (a) (iii) of—

- (i) the environmental impact of achieving the objectives by those means; and
 - (ii) the effectiveness of the adoption of any environmental standards specified in relation to those means under paragraph (a) (vii) (B); and
 - (iii) the effectiveness of the adoption of any environmental safeguards specified in relation to those means under paragraph (a) (vii) (C); and
 - (iv) the consequences of not adopting the environmental standards specified in relation to the means under paragraph (a) (vii) (B) and any environmental safeguards specified in relation to the means under paragraph (a) (vii) (C);
- (d) details of the source of any information relied on, and of any consultation undertaken, in the preparation of the public environment report or environmental impact statement;
 - (e) a description of the procedure adopted for the preparation of the public environment report or environmental impact statement;
 - (f) a description of any research undertaken for the purpose of preparing the public environment report or environmental impact statement and details of any data obtained from the research in sufficient detail to permit an independent analysis of the data;
 - (g) a statement specifying the name and qualifications of each person who participated in the preparation of the substance of the report and the part of the report that each of those persons prepared or assisted in preparing.

6 Prescribed period—Act, s 121 (2)

The prescribed period is 30 business days.

7 Prescribed criteria—Act, s 123 (7)

For the Act, section 123 (7), the following criteria are prescribed in relation to a consultant specified by the Minister:

- (a) the consultant is to hold professional qualifications relevant to the assessment to be made;
- (b) the consultant is to have experience relevant to the assessment to be made;
- (c) the consultant is to have experience in the preparation of environmental assessments.

8 Prescribed period—Act, s 129 (1)

For the Act, section 129 (1), the prescribed period is 42 days.

9 Prescribed period—Act, s 130 (1)

For the Act, section 130 (1), the prescribed period is 42 days.

10 Prescribed periods—Act, s 131 (1) and (2)

For the Act, section 131 (1) and (2), the period of 56 days is prescribed.

Part 3 Land administration

Division 3.1 Leases

10A Concessional lease exemptions—Act, s 159A

The following leases are excluded from the definition of *concessional lease*:

- (a) a lease of territory land granted for residential purposes only;
- (b) a lease granted for rural purposes or purposes including rural purposes;
- (c) a lease granted to a territory-owned corporation;
- (d) a lease (the *individual lease*) granted for no consideration if—
 - (i) the individual lease is a subdivision of a lease (the *head lease*) held by the person to whom the individual lease is granted; and
 - (ii) the person has provided infrastructure on the land leased under the head lease;
- (e) a lease granted for commercial purposes if the lease was granted for less than market value only because—
 - (i) the lease was a lease for rent in excess of nominal rent that was granted after 1 January 1974; and
 - (ii) the rent was paid out—
 - (A) in accordance with a law that regulated the payment of land rent in the ACT and that was in force at the time of payment; or
 - (B) by agreement between the Commonwealth or Territory and the lessee.

Examples of residential purposes for par (a)

- 1 for the purpose of a single dwelling
- 2 for the purpose of not less than 3 dwellings and not more than 8 dwellings

Examples of rural purposes for par (b)

- 1 agriculture
- 2 horticulture
- 3 horse agistment
- 4 animal husbandry

Examples of commercial purposes for par (e)

- 1 industrial
- 2 business

Note An example is part of the regulation, is not exhaustive and may extend, but does not limit, the meaning of the provision in which it appears (see Legislation Act, s 126 and s 132).

11 Prescribed period—Act, s 170 (1)

For the Act, section 170 (1), the prescribed period is 28 days from the day when the person who is entitled to the grant of the lease is notified by the planning and land authority that the lease is available for execution by the person.

12 Confidential services and special dwellings—Act, s 175 (3) (a)

For the Act, section 175 (3) (a), developments of the following type are prescribed developments:

- (a) the use of premises for the provision of confidential services (such as a domestic crisis service), if the Minister has, in writing, determined that it is in the public interest for the development to be so prescribed;
- (b) the use of residential premises as a special dwelling within the meaning of the plan.

**13 Farm tourism and other rural business (lease purpose)—
Act, s 175 (3) (a)**

- (1) For the Act, section 175 (3) (a), the use of land in a rural lease for farm tourism, or another rural business, is a prescribed development if the use—
- (a) is secondary to the use of the land for the primary purpose authorised by the lease; and
 - (b) has no adverse effect on the environment in the area covered by, or adjacent to, the lease.

- (2) In this section:

farm tourism means operating a craft workshop, shop, guesthouse, outdoor recreation facility, overnight camping area or other activity for tourists.

14 Heavy vehicle parking (lease purposes)—Act, s 175 (3) (b)

- (1) The parking of a heavy vehicle on residential land in accordance with the *Road Transport (Safety and Traffic Management) Regulation 2000*, division 3.1.3 is a prescribed activity.

- (2) In this section:

heavy vehicle—see the *Road Transport (Safety and Traffic Management) Regulation 2000*, section 82.

**14A Amount of refund for surrender or termination—Act,
s 178 (1)**

- (1) The amount prescribed for a lessee is the lesser of the following amounts:
- (a) the amount paid for the grant or transfer of the lease to the lessee;
 - (b) the market value of the lease.

- (2) However, the amount prescribed for a lessee is the price paid for the grant if—
- (a) the lessee is the lessee originally granted the lease; and
 - (b) the lease was granted before this section commences.
- (3) Subsection (2) and this subsection expire 7 years after the day this section commences.

Division 3.2 Variation of leases

15 Definitions for div 3.2

In this division:

added value, in relation to the variation of a lease, means the amount worked out in accordance with the formula—

$$V_1 - V_2$$

where V_1 and V_2 have the same respective meanings in relation to the variation as in the Act, section 184A (2) and (5).

change of use charge, in relation to the variation of a lease, means the change of use charge under the Act, section 184A (1) for that variation.

consolidated lease means a lease granted in the course of a consolidation following the surrender of 2 or more previous leases.

further lease means a lease granted under the Act, section 171, section 171A or section 172 following the surrender of a previous lease over the same land.

lease, over the largest parcel of land—see section 15A.

regranted lease means a lease granted following the surrender of a previous lease, as referred to in the Act, section 184.

subdivided lease means a lease granted in the course of a subdivision following the surrender of 1 or more previous leases.

15A Meaning of *lease* over the largest parcel of land

- (1) This section applies if—
- (a) a number of leases are surrendered in the course of a subdivision or consolidation; and
 - (b) the parcels of land over which the leases were granted are not of equal area; and
 - (c) there are 2 or more parcels of land of equal area that are larger than all the other parcels.
- (2) In this division:
- lease*, over the largest parcel of land, means any of the leases over the equally large parcels mentioned in subsection (1) (c).

16 Boundary variations remission—Act, s 184C (1)

- (1) For the Act, section 184C (1), the planning and land authority must remit in full change of use charge for the variation of a lease if—
- (a) the only effect of the variation would be to alter a common boundary between 2 or more adjoining leases; and
 - (b) the land comprised in each such adjoining lease is leased for the same purposes; and
 - (c) no such adjoining lease permits the use of the leased land for rural purposes, or for purposes including rural purposes.
- (2) If subsection (1) applies in relation to the variation of a lease, this division does not otherwise apply in relation to the variation.

19 Commissioner for housing remission—Act, s 184C (1)

- (1) Subject to subsection (2), for the Act, section 184C (1), the planning and land authority must remit the change of use charge for the variation of a lease by an amount equal to 25% of the added value in relation to the variation if—

- (a) the lease is held by the commissioner for housing; and
 - (b) the lease was granted to the commissioner for a term beginning on or before 16 December 1987.
- (2) If a change of use charge eligible for a remission under subsection (1) is also subject to an increase under section 24 (Enlarged area of land increase—Act, s 184C (2)), the remission is to be offset by that increase.

20 Prescribed circumstances—Act, s184C (1)

- (1) For the Act, section 184C (1), prescribed circumstances are that it is necessary or desirable to—
- (a) promote development of an area; or
 - (b) change the purposes for which land or buildings, or parts of land or buildings, in an area may be used; or
 - (c) promote the construction of housing meeting good design or construction criteria; or
 - (d) promote the construction of attached houses, apartments or 2 or more detached houses on a single lot; or
 - (e) promote the construction of housing accessible to, or adaptable for, frail or disabled people; or
 - (f) provide land for the exclusive use of community organisations; or
 - (g) assist occupiers of premises affected, or likely to be affected, by the operation of the *Smoking (Prohibition in Enclosed Public Places) Act 2003*, part 2 (Smoking prohibited in enclosed public places) to provide additional facilities at the premises.
- (2) Subsection (1) (g) applies only to an application for variation of a lease made before 1 December 2009.

- (3) Subsection (1) (g), subsection (2) and this subsection expire on 1 December 2010.

21 Remission of change of use charges—Act, s 184C (1)

- (1) The Minister may give written policy directions for deciding the remission of change of use charges under the Act, section 184C (1), for the variation of leases in circumstances prescribed by section 20.

- (2) A policy direction is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

- (3) If a policy direction is in effect, the planning and land authority must—
- (a) give a remission of a change of use charge for a variation of a lease to which the direction applies; and
 - (b) apply the direction in deciding the remission of change of use charge to be given for a variation of a lease to which the direction applies.

22 Concessional lease increase—Act, s 184C (2)

- (1) The planning and land authority must increase the change of use charge for the variation of a concessional lease by an amount equal to 25% of the added value in relation to the variation.
- (2) This section applies in relation to the variation of a concessional lease only if—
- (a) the lease is to be varied to provide for a use other than a community use; and
 - (b) the lease is not a lease held by the commissioner for housing to which section 19 (Commissioner for housing remission—Act, s 184C (1)) applies.

- (3) This section does not apply in relation to a variation of a lease if section 25 applies in relation to the variation.

23 Recently commenced lease increase—Act, s 184C (2)

- (1) The planning and land authority must increase the change of use charge for the variation of a recently commenced lease by an amount equal to 25% of the added value in relation to the variation.
- (2) For this section, the following leases are *recently commenced leases*:
- (a) a lease (other than a further lease, a consolidated lease, a subdivided lease or a regranted lease) the term of which began 5 years or less before the date of the application for variation;
 - (b) a consolidated or subdivided recently commenced lease;
 - (c) a further recently commenced lease;
 - (d) a recently regranted lease.
- (3) Subsection (1) applies in relation to the variation of a lease consisting (under the Act, section 184) of the grant of a lease following the surrender of a previous lease if the surrendered lease was a recently commenced lease, unless the variation has the effect only of correcting an error in the surrendered lease.
- (4) This section does not apply to a variation of a lease to which either of the following sections applies:
- (a) section 22 (Concessional lease increase—Act, s 184C (2));
 - (b) section 25 (Service station lease increase—Act, s 184C (2)).
- (5) In this section:
- consolidated or subdivided recently commenced lease* means a lease granted in the course of a consolidation or subdivision involving the surrender of 1 or more previous leases if—
- (a) each surrendered lease was a recently commenced lease; or

- (b) if more than 1 lease was surrendered, and any (but not all) of the surrendered leases was a recently commenced lease—
 - (i) if the surrendered leases were not over parcels of land of equal area—the surrendered lease that was over the largest parcel of land was a recently commenced lease; or
 - (ii) if all surrendered leases were over parcels of land of equal area—any surrendered lease was a recently commenced lease.

further recently commenced lease means a further lease if the surrendered lease was a recently commenced lease.

recently regranted lease means a regranted lease if the surrendered lease was a recently commenced lease.

24 Enlarged area of land increase—Act, s 184C (2)

- (1) This section applies in relation to a variation of a lease consisting (under the Act, section 184) of the grant of a lease following the surrender of a previous lease if the area of land comprised in the new lease is larger than the area of land comprised in the surrendered lease.
- (2) If this section applies, for the Act, section 184C (2) the planning and land authority must increase the change of use charge for the variation by an amount equal to 25% of that part of the added value of the variation attributable to the additional part of land comprised in the new lease.
- (3) This section does not apply in relation to the variation of a lease if either of the following sections applies in relation to the variation:
 - (a) section 22 (Concessional lease increase—Act, s 184C (2));
 - (b) section 25 (Service station lease increase—Act, s 184C (2)).

25 Service station lease increase—Act, s 184C (2)

- (1) This section applies in relation to the variation of a service station lease if, as a result of the variation, the lease ceases to be a service station lease.
- (2) For the Act, section 184C (2), if this section applies, the planning and land authority must increase the change of use charge for the variation by an amount equal to 25% of the added value in relation to the variation.

26 Variation of lease to pay out rent—prescribed leases

For the Act, section 186 (1) (a), each of the following classes of leases is prescribed:

- (a) leases granted for full market value payable as rent;
- (b) leases granted, for rural purposes or for purposes that include rural purposes, for a period of not less than 21 years;
- (c) concessional leases.

Division 3.3 Consolidation and subdivision

27 Definitions for div 3.3

In this division:

added value, in relation to a consolidation or a subdivision, means the amount worked out in accordance with the formula—

$$V_1 - V_2$$

where V_1 and V_2 have the same respective meanings in relation to the consolidation or subdivision as in the Act, section 187A (2).

change of use charge, in relation to a consolidation or subdivision, means the change of use charge under the Act, section 187A (1) for the consolidation or subdivision.

consolidated lease means a lease granted in the course of a consolidation following the surrender of 2 or more previous leases.

further lease means a lease granted under the Act, section 171, section 171A or section 172 following the surrender of a previous lease over the same land.

lease, over the largest parcel of land—see section 27A.

regranted lease means a lease granted following the surrender of a previous lease, as referred to in the Act, section 184.

subdivided lease means a lease granted in the course of a subdivision following the surrender of 1 or more previous leases.

27A Meaning of lease over the largest parcel of land

- (1) This section applies if—
 - (a) a number of leases are surrendered in the course of a subdivision or consolidation; and
 - (b) the parcels of land over which the leases were granted are not of equal area; and
 - (c) there are 2 or more parcels of land of equal area that are larger than all the other parcels.
- (2) In this division:

lease, over the largest parcel of land, means any of the leases over the equally large parcels mentioned in subsection (1) (c).

30 Commissioner for housing remission—Act, s 187C (1)

For the Act, section 187C (1), the planning and land authority must remit a change of use charge for a consolidation or subdivision by an amount equal to 25% of the added value in relation to the consolidation or subdivision if—

- (a) each lease to be surrendered is held by the commissioner for housing; and
- (b) each lease to be surrendered was granted to the commissioner for a term beginning on or before 16 December 1987.

31 Prescribed circumstances—Act, s 187C (1)

For the Act, section 187C (1), prescribed circumstances are that it is necessary or desirable to—

- (a) promote development in an area; or
- (b) change the purposes for which land may be used.

32 Remission of change of use charges—Act, s 187C (2)

- (1) The Minister may give written policy directions for deciding the remission of change of use charges under the Act, section 187C (1), for consolidations or subdivisions of leases in circumstances prescribed by section 31.

- (2) A policy direction is a disallowable instrument.

Note A disallowable instrument must be notified, and presented to the Legislative Assembly, under the Legislation Act.

- (3) If a policy direction is in effect, the planning and land authority must—
 - (a) give a remission of a change of use charge for a consolidation or subdivision of leases to which the direction applies; and
 - (b) apply the direction in deciding the remission of change of use charge to be given for a consolidation or subdivision of leases to which the direction applies.

33 Concessional lease increase—Act, s 187C (2)

- (1) This section applies in relation to a consolidation or subdivision if any of the leases to be surrendered in the course of the consolidation or subdivision is a concessional lease.
- (2) For the Act, section 187C (2), the planning and land authority must increase the change of use charge for a consolidation or subdivision to which this section applies by an amount equal to 25% of that part of the added value in relation to the consolidation or subdivision that is attributable to the surrender of the concessional lease or leases in the course of the consolidation or subdivision.
- (3) This section applies in relation to a consolidation or subdivision only if a lease is to be granted in the course of the consolidation or subdivision for a use other than a community use.
- (4) This section does not apply in relation to a consolidation or subdivision if—
 - (a) section 34 (Recently commenced lease increase—Act, s 187C (2)) applies in relation to the consolidation or subdivision; and
 - (b) the amount of the increase in the change of use charge otherwise payable under this section is less than the amount of such an increase payable under section 34.
- (5) This section does not apply if—
 - (a) for a consolidation—section 35 (Consolidation involving service station lease increase—Act, s 187C (2)) applies; and
 - (b) for a subdivision—section 36 (Subdivision involving service station lease increase—Act, s 187C (2)) applies.

34 Recently commenced lease increase—Act, s 187C (2)

- (1) This section applies in relation to a consolidation or subdivision where any of the leases to be surrendered is a recently commenced lease.
- (2) For the Act, section 187C (2), the planning and land authority must increase the change of use charge for a consolidation or subdivision to which this section applies by an amount equal to 25% of that part of the added value in relation to the consolidation or subdivision that is attributable to the surrender of the recently granted lease or leases in the course of the consolidation or subdivision.
- (3) For this section, the following leases are *recently commenced leases*:
 - (a) a lease (other than a further lease, a consolidated lease, a subdivided lease, or a regranted lease) the term of which began 5 years or less before the date of the application for consolidation or subdivision;
 - (b) a further recently commenced lease;
 - (c) a consolidated or subdivided recently commenced lease;
 - (d) a recently regranted lease.
- (4) This section does not apply in relation to a consolidation or subdivision if—
 - (a) section 33 (Concessional lease increase—Act, s 187C (2)) applies in relation to the consolidation or subdivision; and
 - (b) the amount of the increase in the change of use charge otherwise payable under this section is less than or equal to the amount of such an increase payable under section 33.
- (5) This section does not apply if—
 - (a) for a consolidation—section 35 (Consolidation involving service station lease increase—Act, s 187C (2)) applies; and

- (b) for a subdivision—section 36 (Subdivision involving service station lease increase—Act, s 187C (2)) applies.

- (6) In this section:

consolidated or subdivided recently commenced lease means a lease granted in the course of a consolidation or subdivision involving the surrender of 1 or more previous leases if—

- (a) each surrendered lease was a recently commenced lease; or
- (b) if more than 1 lease was surrendered, and any (but not all) of the surrendered leases was a recently commenced lease—
 - (i) if the surrendered leases were not over parcels of land of equal area—the surrendered lease that was over the largest parcel of land was a recently commenced lease; or
 - (ii) if all surrendered leases were over parcels of land of equal area—any surrendered lease was a recently commenced lease.

further recently commenced lease means a further lease if the surrendered or expired lease was a recently commenced lease.

recently regranted lease means a regranted lease if the surrendered lease was a recently commenced lease.

35 Consolidation involving service station lease increase— Act, s 187C (2)

- (1) This section applies in relation to a consolidation if—
 - (a) at least 1 of the leases to be surrendered is a service station lease; and
 - (b) the consolidated lease is not or, if 2 or more consolidated leases are granted, neither or none of the consolidated leases is, a service station lease.

- (2) For the Act, section 187C (2), the planning and land authority must increase the change of use charge for a consolidation in relation to which this section applies by an amount equal to 25% of that part of the added value in relation to the consolidation that is attributable to the surrendered service station lease or leases.

**36 Subdivision involving service station lease increase—
Act, s 187C (2)**

- (1) This section applies in relation to a subdivision if—
- (a) the lease to be surrendered or, if more than 1 lease is to be surrendered, at least 1 of the leases to be surrendered, is a service station lease; and
 - (b) at least 1 of the subdivided leases is not a service station lease.
- (2) For the Act, section 187C (2), the planning and land authority must increase the change of use charge for a subdivision to which this section applies by—
- (a) if no subdivided lease is a service station lease—an amount equal to 25% of the added value of the subdivision that is attributable to the surrendered service station lease or leases; or
 - (b) if at least 1 of the subdivided leases is a service station lease—an amount equal to 25% of the added value of the subdivision that is attributable to that part of the surrendered service station lease or leases that is represented by a subdivided lease that is not a service station lease.

Part 4 Approvals and orders

Division 4.1 Approvals

37 Prescribed period—Act, s 230 (2)

- (1) The prescribed period for the Act, section 230 (2) in relation to an application to undertake a development is—
 - (a) 30 working days after the date of the application; and
 - (b) if an objection is made under the Act, section 237 within 30 working days after the date of the application—45 working days after the date of the application; and
 - (c) if the period mentioned in paragraph (a) or (b) is extended under this section—the extended period.
- (2) If the applicant is directed to prepare a preliminary assessment under the Act, section 113 in relation to the application, the initial period is extended by a period of the same length as the period beginning on the day when the direction is given and ending 42 days after the day when the applicant submits the preliminary assessment to the Environment Minister.
- (3) If an assessment is directed under the Act, section 121 in relation to the application, the initial period, as extended under subsection (2), is further extended by a period of the same length as the period beginning on the day when the assessment is directed and ending on the day when the report under the Act, section 131 is completed.
- (4) If a panel is established to conduct an inquiry in relation to the application, the initial period, as extended (if at all) under subsection (2) or (3), is extended, or further extended, by a period of the same length as the period beginning on the day when the panel is established and ending on the day when the panel's report is

presented to the Legislative Assembly under the Act, section 141 (1).

- (5) The relevant authority may extend, or further extend, the initial period, as extended (if at all) under subsection (2), (3) or (4), on the written application of the applicant before the end of that period, or of the latest extended period, as the case may be.

- (6) In this section:

initial period, in relation to an application, means the period mentioned in subsection (1) (a) or (b), as the case requires.

38 Prescribed period—Act, s 237 (1)

For the Act, section 237 (1), the prescribed period in relation to an application for development is—

- (a) 15 business days beginning on the date of publication of notice of the application in a daily newspaper under the Act, section 229 (1) (b); or
- (b) if the Act, section 229 (1) (b) and (6) do not apply in relation to the development (under section 41 (2))—10 business days after the latest notice of the application was given under the Act, section 229 (1) (a); or
- (c) if the Act, section 229 (1) (a) and (b) and (6) do not apply in relation to the development (under section 41 (1))—the period beginning on the day the application is made and ending at the end of the day before the day the application is approved or refused.

Division 4.2 Orders

39 Prescribed period—Act, s 254A (4)

- (1) The prescribed period is—
- (a) if—
- (i) an application is made under the Act, section 254 (1) for an order in relation to an activity mentioned in the Act, schedule 5, item 1, 4 or 5; and
 - (ii) application had previously been made under the Act, section 226 for approval to conduct the activity in relation to which the order is sought and the relevant authority had not approved or refused to approve that application before the making of the application under the Act, section 254 (1); and
 - (iii) the relevant authority approves the application under the Act, section 226;
- 21 days beginning on the day the approval of the application under the Act, section 226 takes effect; or
- (b) if—
- (i) an application is made under the Act, section 254 (1) for an order in relation to an activity mentioned in the Act, schedule 5, item 1, 4 or 5; and
 - (ii) application is made under the Act, section 226 for approval to conduct the activity in relation to which the order is sought and that application is made within 21 days beginning on the day when the relevant authority receives the application under the Act, section 254 (1); and
 - (iii) the relevant authority approves the application under the Act, section 226;

21 days beginning on the day the approval of the application under the Act, section 226 takes effect; or

(c) if—

- (i) an application is made under the Act, section 254 (1) for an order in relation to an activity mentioned in the Act, schedule 5, item 1, 4 or 5; and
- (ii) application had previously been made under the Act, section 226 for approval to conduct the activity in relation to which the order is sought and the relevant authority had not approved or refused to approve that application before the making of the application under the Act, section 254 (1); and
- (iii) the relevant authority refuses to approve the application under the Act, section 226 or is to be taken to have refused the application;

21 days beginning on—

- (iv) the day when the relevant authority notifies the applicant for approval under the Act, section 226 of his or her refusal to approve the application; or
- (v) the first day when the relevant authority is to be taken to have refused the application;

as the case requires; or

(d) if—

- (i) an application is made under the Act, section 254 (1) for an order in relation to an activity mentioned in the Act, schedule 5, item 1, 4 or 5; and
- (ii) application is made under the Act, section 226 for approval to conduct the activity in relation to which the order is sought and that application is made within 21 days beginning on the day when the relevant authority

receives the application under the Act, section 254 (1);
and

- (iii) the relevant authority refuses to approve the application under the Act, section 226 or is to be taken to have refused the application;

21 days beginning on—

- (iv) the day when the relevant authority notifies the applicant for approval under the Act, section 226 of his or her refusal to approve the application; or
- (v) the first day when the relevant authority is to be taken to have refused the application;

as the case requires; or

- (e) in any other case—21 days beginning on the day when the Minister receives the application under the Act, section 254 (1).

- (2) In the application of subsection (1) to an application under the Act, section 254 (1) for an order in relation to a development mentioned in the Act, schedule 5, item 5, a reference to an application for approval to conduct the development in relation to which the order is sought is to be read as a reference to an application for retrospective approval in relation to a development that was undertaken without approval, as mentioned in the Act, section 226 (9).

Division 4.3 Exemptions from Act, pt 6

39A Definition of *minor development*—determined criteria

- (1) The Minister may, in writing, determine criteria for the dictionary, definition of *minor development*, paragraph (h).

- (2) A determination is a notifiable instrument.

Note A notifiable instrument must be notified under the Legislation Act.

40 Absolute exemptions from Act, pt 6

- (1) The Act, part 6 does not apply to a development listed in schedule 1.
- (2) The Act, part 6 does not apply to a development listed in schedule 2 if the development (as proposed) is consistent with a guideline or standard adopted by the authority for this subsection and the guideline or standard that relates to the development.
- (3) The Act, part 6 does not apply to a development listed in schedule 3 if the development is consistent with an approved implementation plan under the *Buildings (Design and Siting) Act 1964*.
- (4) Subsections (1), (2) and (3) do not apply in relation to a development, other than the development listed at schedule 1, item 1, if—
- (a) the development is part of, or is carried out in association with, a development to which the Act, part 6 applies; or
 - (b) the development—
 - (i) affects a place that is registered, or nominated for provisional registration, under the *Heritage Act 2004*; and
 - (ii) would be inconsistent with a heritage guideline applying to the place; or
 - (c) the development would be inconsistent with a condition of an approval, a provision of a lease or an agreement collateral to the grant of a lease.
- (5) The Act, part 6 does not apply to—
- (a) the construction, alteration or demolition of a public road in a designated area; or

- (b) any works in a designated area related to the construction, alteration or demolition of a public road; or
 - (c) any other development in a designated area that requires approval under the Commonwealth Act, section 12 (Works in Designated Areas to be subject to Plan and approval by the Authority).
- (6) In subsection (5):

Commonwealth Act means the *Australian Capital Territory (Planning and Land Management) Act 1988* (Cwlth).

designated area—see the Commonwealth Act, section 4, definition of *Designated Area*.

works—see the Commonwealth Act, section 4.

41 Notification exemptions—Act, s 229 (1) and (6)

- (1) A development listed in schedule 4 is exempt from the application of the Act, section 229 (1) and (6).
- (2) A development listed in schedule 5 is exempt from the application of the Act, section 229 (1) (b) and 229 (6).

42 Exclusion of appeals—general

- (1) The Act, section 275 does not apply in relation to a decision of the relevant authority about a development listed in schedule 6.
- (2) If a decision of the relevant authority relates to more than 1 development, subsection (1) excludes from the application of the Act, section 275 only that aspect of the decision that concerns any development listed in schedule 6.
- (3) The Act, section 275 does not apply to a decision by the relevant authority in relation to the construction of the Gungahlin Drive extension.
- (4) In subsection (3):

Gungahlin Drive extension means the road proposed to run from the Barton Highway to the Glenloch Interchange, substantially as shown in the plans mentioned in the following reports (which are available for public inspection at the offices of the administrative unit responsible for road services):

- (a) Gungahlin Drive Extension Document Readiness Report, February 2004 Package A, Project No US 01176C-01, plan numbers 32416A-PP-061, 062, 063, 064, 065 and 066;
- (b) Gungahlin Drive Extension Document Readiness Report, February 2004 Package B, Project No US 01176C-02, plan numbers 32416B-PP-061 and 062.

Note 1 The plans are available for public inspection at Roads ACT, level 7, Macarthur House, 12 Wattle Street, Lyneham ACT 2602.

Note 2 The plans are also available for public inspection at www.gde.act.gov.au/download/alignment_details.htm.

- (5) Subsections (3) and (4) and this subsection expire 5 years after the day they commence.

43 Exclusion of appeals by objectors and third parties—Act, s 276

- (1) The Act, section 276 does not apply in relation to a decision of the relevant authority about a development listed in schedule 7.
- (2) If a decision of the relevant authority relates to more than 1 development, subsection (1) excludes from the application of the Act, section 276 only that aspect of the decision that concerns any development listed in schedule 7.
- (3) The Act, section 276 does not apply to a decision by the relevant authority in relation to the construction of the Gungahlin Drive extension.
- (4) In subsection (3):

Gungahlin Drive extension—see section 42 (4).

- (5) Subsections (3) and (4) and this subsection expire 5 years after the day they commence.

44 Ministerial exemptions for signs and advertising material

For the Act, section 282 (2), the Minister may exempt from the Act, part 6 or any provision of that part a development that consists of the erection, fixing or displaying of a sign or advertising material on land, otherwise than in accordance with a right to do so expressly given by a current licence granted under the Act or a current lease.

Note An exemption under this section is a disallowable instrument (see the Act, s 282 (2)).

Schedule 1 Unconditional exemptions from Act, pt 6

(see s 40 (1))

column 1 item	column 2 exemption
1	A development carried out by or on behalf of the Territory in an emergency to protect the health or safety of the public, or for the protection of public property.
2	Internal alteration of a building, if— <ul style="list-style-type: none">(a) for a residential building—the alteration would not increase the number of dwellings within the building; and(b) for a commercial building—the alteration would not increase the building's gross floor area; and(c) in any case—the alteration would not result in the building's being classified differently under the classification scheme set out in the building code.

column 1 item	column 2 exemption
3	<p>Construction, alteration or demolition of a building or structure, or the carrying out of earthworks, landscaping or other construction work, if—</p> <ul style="list-style-type: none">(a) the development is to be undertaken on Territory land leased for rural purposes, or for purposes including rural purposes; and(b) the development is a minor development; and(c) the development is reasonably connected with those rural purposes; and(d) the development does not require a licence or permit under the <i>Water Resources Act 1998</i>, an authorisation under the <i>Environment Protection Act 1997</i> or an approval under the <i>Environment Protection and Biodiversity Conservation Act 1999</i> (Cwlth); and(e) the development will not result in the substantial clearing of 0.5ha or more of native vegetation; and(f) the development is not contrary to a land management agreement under the Act, section 186C.
4	<p>Variation of a lease under a provision of the lease to effect the withdrawal by the planning and land authority of part of the land over which the lease was granted.</p>
5	<p>Variation of a lease to effect a subdivision, if—</p> <ul style="list-style-type: none">(a) each lease to be surrendered was granted for purposes including development and subdivision; and(b) the land over which each lease was granted has been developed in accordance with the lease.

column 1 item	column 2 exemption
6	Surrender of a rural lease and the granting of a new rural lease over the whole of the land comprised in the surrendered lease and additional land.
7	Consolidation of rural leases. <i>Note</i> The Act, s 186H and s 187 impose limitations on the consolidation of rural leases.
8	A development solely undertaken for the purposes of the maintenance of a building or structure.
9	Carrying out work that would affect the landscape of land leased for residential purposes only.
10	Works relating to footpaths within a road reserve or pathway reserve.
11	Surfacing a road, cycleway or carpark.
12	Works relating to traffic management devices used for pedestrian or vehicle control, including the following devices: <ul style="list-style-type: none"> (a) signs; (b) lines; (c) traffic signals.
13	Minor flood mitigation measures.
14	Playground developments or improvements by or on behalf of the Territory.
15	Erection, alteration or demolition of fences and freestanding walls, being fences and walls that do not exceed 1.8m in height and are located behind the building line.

column 1 item	column 2 exemption
16	Erection or alteration of an exempt building or structure (other than a structure mentioned in item 28) if, on completion of the development— <ul style="list-style-type: none">(a) no part of the building or structure would be between a front boundary and a building line; and(b) the building or structure has no metal roofing or walling that is untreated, pre-coloured or painted white or off-white; and(c) if the building or structure is a class 10 structure under the building code—it is the only such structure on the boundary of the leased land where it is erected.
17	Demolition of an exempt building or structure.
18	Changing the external material or finish of a building if the change would not significantly affect the appearance of the building.
19	Variation of roof pitch if the variation is not greater than 2°.
20	Installation of a chimney, flue or vent extending not more than 1.5m above the surface of a roof.
21	Resiting a building in relation to which approval has been given under the Act or under the <i>Buildings (Design and Siting) Act 1964</i> by not more than 150mm horizontally, except if the approval requires that the building be built adjacent to a boundary.
22	Installation of an external switchboard.
23	Installation of external security lighting if the installation is a minor development.
24	Installation or removal of electricity, water, gas, communications or similar services, other than reticulated services or trunk supply services.

column 1 item	column 2 exemption
25	Installation or removal of drainage services other than reticulated services or trunk drainage services.
26	Erection or installation of a temporary, portable or demountable building or structure for a specific event or project, if the building or structure is to be removed at the end of 6 months, or any further period approved by the planning and land authority in writing.
27	External repainting of a dwelling.
28	A development in relation to an external deck, external stairs, an external landing or a retaining wall if the deck, stairs, landing or wall is not more than 0.4m in height.
29	A development in relation to a letterbox not exceeding, or that is not to exceed, 2m ² in area or 1.8m in height.
30	The planting or harvesting of plantation trees within a plantation area for the purposes of plantation forestry within the meaning of the plan.
32	Variation of a lease solely to permit a development mentioned in another item of this schedule.
33	Placing or displaying a movable sign in a public place.

column 1 item	column 2 exemption
34	<p>Installation or alteration of a satellite dish that is for receiving purposes only on a building in a residential area if, as installed or altered—</p> <ul style="list-style-type: none">(a) the face of the dish would be capable of being contained within a circle 0.65m in diameter; and(b) no part of the dish or its supporting structure would project above the roof ridge line of any adjacent area of roof that is a pitched roof; and(c) the dish and its supporting structure would be colour-matched to its background and have a matt finish; and(d) the dish and its supporting structure would not be visible from the public street adjacent to the front boundary of the block of land where the building is situated; and(e) the dish and its supporting structure would—<ul style="list-style-type: none">(i) not be visible from a block of leased territory land adjacent to the block where the building is situated; or(ii) be not less than 4m from the boundary of any block of leased territory land adjacent to the block where the building is situated.

column 1 item	column 2 exemption
35	<p>Installation or alteration of a satellite dish that is for receiving purposes only on a building that is not in a residential area if, as installed or altered—</p> <ul style="list-style-type: none">(a) the face of the dish would be capable of being contained within a circle 1.5m in diameter; and(b) the dish and its supporting structure would be colour-matched to its background and have a matt finish; and(c) the dish and its supporting structure would not be conspicuous from an adjacent residential area.
36	<p>Installation or alteration of a microwave antenna that is for receiving purposes only on a building if, as installed or altered—</p> <ul style="list-style-type: none">(a) the face of the dish of the antenna would be capable of being contained within a circle 0.65m in diameter; and(b) the antenna and its supporting structure would be—<ul style="list-style-type: none">(i) not more than 1m high; and(ii) colour-matched to its background and have a matt finish.
37	<p>Removal of a satellite dish or microwave antenna mentioned in item 32, item 33 or item 34 from a building.</p>

Schedule 2 Exemptions from Act, pt 6 subject to authority guideline

(see s 40 (2))

column 1 item	column 2 exemption
1	Installation or removal of a bus stop (including a marker, pad or seat) within a road corridor.
2	Erection or removal of a bus shelter (other than in the Civic Centre area, a Town Centre area or a Group Centre area).
3	Installation or removal of lighting for parking or in a public area.
4	Tree and shrub planting or removal on unleased territory land by or on behalf of the Territory.
5	Minor landscape works other than works carried out in the Civic Centre area, a Town Centre area or a Group Centre area.
7	Erection or removal of lighting columns.
8	Installation on or removal from unleased territory land of street furniture, including the following: <ul style="list-style-type: none">(a) fixed benches;(b) fixed garbage bins;(c) recycling bins;(d) parking meters;(e) streetlights;(f) street signs;(g) guardrails and protective rails;(h) planter boxes.

column 1 item	column 2 exemption
9	Installation or removal of reticulated services.
10	Installation, alteration or removal of an externally mounted photovoltaic panel.
11	Installation, alteration or removal of an externally mounted solar water heater.
12	Installation, alteration or removal of an externally mounted airconditioning unit.

Schedule 3 Exemptions from Act, pt 6 subject to implementation plans

(see s 40 (3))

column 1 item	column 2 exemption
1	Erection or removal of a bus shelter.
2	Construction, modification or removal of a pathway through unleased territory land.
3	Minor landscape works other than works carried out in the Civic Centre Area, a Town Centre Area or a Group Centre Area.
4	Installation or removal of reticulated services.

Schedule 4 Notification exemptions—Act, s 229 (1) and (6)

(see s 41 (1))

column 1 item	column 2 exemption
1	Variation of a lease to reduce the rent payable under the lease to a nominal rent.
2	Development related to the proposed use of premises for confidential services (such as a domestic violence crisis service), if the Minister has made a determination in relation to those premises under section 12 (a).
3	Development related to the proposed use of residential premises as a special dwelling.
4	Consolidation.
5	Variation of a lease if the whole of the land comprised in the lease is identified in the plan for the Act, subdivision 2.3.4.
6	Variation of a lease if the lease, as varied, would permit (or would continue to permit) the use of the land for rural purposes, or for purposes including rural purposes, if— <ul style="list-style-type: none">(a) the sole effect of the variation would be to omit a provision relating to the withdrawal of land by the Territory; or(b) if the variation is to consist of the surrender of an existing lease and the grant of a new lease, as mentioned in the Act, section 223 (2)—the differences between the existing lease and the proposed new lease are limited to any of the following:

column 1 item	column 2 exemption
	<ul style="list-style-type: none"> (i) the omission of a provision in the existing lease relating to the withdrawal of land by the Territory; (ii) the date of commencement; (iii) the proposed new lease being expressed to terminate on a day before that of the existing lease.
7	<p>Use of land for a home business, if—</p> <ul style="list-style-type: none"> (a) the land is leased for residential purposes only; and (b) such use by the applicant is currently approved under the Act, part 6; and (c) no complaints about that use have been received by the planning and land authority within the 12 months before the application.
8	A minor development in relation to land within a residential area, if the planning and land authority has reasonable grounds for considering that the enjoyment of any adjoining land would not be detrimentally affected by the development.
9	A minor development in relation to land other than within a residential area.
10	<p>The erection or alteration of 1 or more dwellings, or of buildings or structures associated with 1 or more dwellings, on land within a residential area, if—</p> <ul style="list-style-type: none"> (a) if the land has not previously been developed— <ul style="list-style-type: none"> (i) the development would consist of the erection of no more than 1 dwelling, and of any associated buildings or structures; or

column 1 item	column 2 exemption
	<ul style="list-style-type: none"> (ii) if a multi-unit development is applied for—at the time of the application, the lease permits a development of the type applied for, or the lease was granted expressly for development and subdivision; and (b) if the land has previously been developed—the development would not result in an increase in the number of dwellings on the land; and (c) the area of the parcel of land is not more than 450m² and no setback is required by the territory plan for the dwelling, building or structure in relation to 1 side boundary only; and (d) if the area of the land is more than 450m², the setback of the dwelling, building or structure, as proposed to be erected or altered, would be no less than— <ul style="list-style-type: none"> (i) in relation to the front boundary setback— <ul style="list-style-type: none"> (A) 6m from any front boundary; or (B) if the land has not previously been developed for urban purposes, and approval for the subdivision of the land had been given after 18 October 1993 (being an approval within the meaning of the plan, appendix 3.1, paragraph D2.1)—4m from any front boundary; and (ii) 3m from any rear boundary; and (iii) 1.5m from any side boundary, except if the development is a multi-unit development; and

column 1 item	column 2 exemption
	<ul style="list-style-type: none"> (iv) if the development is a multi-unit development—3m from any side boundary; and (e) if the land has previously been developed—the development would not result in an increase of more than 75m² in the total of the following: <ul style="list-style-type: none"> (i) the gross floor area of all buildings and structures on the land, except for buildings or structures not enclosed by means of walls and a roof; (ii) for buildings and structures not enclosed by means of walls and a roof—the plan area of each such building and structure; and (f) the development would not result in— <ul style="list-style-type: none"> (i) the erection of any building on the land having more than 1 storey; or (ii) the erection of any building or structure on the land having a height exceeding 6.5m; and (g) the development would not result in— <ul style="list-style-type: none"> (i) the alteration of any building on the land at the time of the application to add 1 or more storeys; or (ii) the alteration of any building or structure on the land at the time of the application to increase its height, except if the height would be increased to 6.5m or less; or (iii) the alteration of any building on the land at the time of the application by the construction of

column 1 item	column 2 exemption
	an extension having more than 1 storey; or
	(iv) the alteration of any building or structure on the land at the time of the application by the construction of an extension having a height exceeding 6.5m.
11	Demolition of a building or structure in connection with the erection or alteration of a building or structure, if the erection or alteration is listed elsewhere in this schedule.
12	Development by or on behalf of the Territory on land identified in the plan for the Act, subdivision 2.3.4 consisting of the erection, alteration or demolition of a building or structure, or the carrying out of earthworks or other construction work that would affect the landscape of the land.
13	Development by or on behalf of the Territory consistent with— <ul style="list-style-type: none"> (a) an approved implementation plan under the <i>Buildings (Design and Siting) Act 1964</i>; or (b) a draft implementation plan under the <i>Buildings (Design and Siting) Act 1964</i> that, as at 24 June 1997, had been neither approved nor rejected by the Minister.
14	Development on land in an industrial area consisting of the erection, fixing or display of a sign or advertising material on the land, or on a structure or building on the land.
15	Construction, alteration or demolition of a public road or a car park within a road reserve.

column 1 item	column 2 exemption
16	<p>Construction, alteration, removal or demolition of a floodway, sewerage or drainage works, a public road, a car park or utilities work on unleased territory land or on land subject to a lease granted for purposes that include subdivision and development if—</p> <p>(a) no direction that an assessment be made of the relevant proposal has been given under the Act, section 121 (1); or</p> <p>(b) if an assessment has been submitted to the Environment Minister—any conditions recommended by the Minister under the Act, section 131 (3) (d) have been complied with.</p>
17	<p>Construction, alteration or removal of trunk supply services, a building or structure for railway use, or a distribution reservoir, major electrical substation, major pump station, power generation station, treatment plant or water storage dam, if—</p> <p>(a) no direction that an assessment be made of the relevant proposal has been given under the Act, section 121 (1); or</p> <p>(b) if an assessment has been submitted to the Environment Minister—any conditions recommended by the Minister under the Act, section 131 (3) (d) have been complied with.</p>
18	Installation, alteration or removal of reticulated services on unleased territory land or land subject to a lease granted for purposes that include subdivision and development.
19	A development that is required by a lease and development condition.
20	Amendment of a schedule of unit entitlement under the <i>Unit Titles Act 2001</i> .

column 1 item	column 2 exemption
21	Variation of a lease solely to permit a development mentioned in another item of this schedule.
22	A minor development to vary a lease only to incorporate into the lease an encroachment onto, over or under unleased territory land from the lease.

Schedule 5 Notification exemptions—Act, s 229 (1) (b) and (6)

(see s 41 (2))

column 1 item	column 2 exemption
1	Erection, alteration or demolition of a single dwelling, if the development would not result in more than 1 dwelling being on the land.
2	Demolition of a building or structure in connection with an erection or alteration of a building or structure if the erection or alteration listed in item 1.
3	Erection, alteration or demolition of a structure that is a class 10 structure within the meaning of the building code.
4	Variation of a lease solely to permit a development mentioned in another item of this schedule.
5	Installation, alteration or removal of an externally mounted photovoltaic panel.
6	Installation, alteration or removal of an externally mounted solar water heater.
7	Installation, alteration or removal of an externally mounted airconditioning unit.

Schedule 6 Exclusion of appeals, general—Act, s 275

(see s 42)

column 1 item	column 2 exclusion
1	A development in relation to an encroachment onto, over or under unleased territory land.
2	A development if the application for the development is decided by the Minister after consideration under the Act, section 229B.
3	Variation of a lease to increase the area of land comprised in the lease.
4	A development on unleased territory land.

Schedule 7 Exclusion of appeals by objectors and third parties— Act, s 276

(see s 43)

column 1 item	column 2 exclusion
1	A development listed in schedule 4.
2	A development if the application for the development is approved by the Minister after consideration under the Act, section 229B, whether or not a condition is included in the approval.
3	Erection, fixing or display of a sign or advertising material on the land, or on a structure or building on the land.
4	A minor development consisting of the carrying out of earthworks, or other construction work that would affect the landscape of the land.
5	Erection, alteration or demolition of a single dwelling, if the development would not result in more than 1 dwelling being on the land.
6	Erection, alteration or demolition of a structure that is a class 10 structure within the meaning of the building code.

column 1 item	column 2 exclusion
7	<p>Development on land in a municipal services area, other than land in the Civic centre area or a town centre area, if—</p> <ul style="list-style-type: none">(a) the land would, if the development is approved, be no less than 50m away from any residential area at its nearest point; and(b) the development would not result in any of the following uses of the land being permitted:<ul style="list-style-type: none">(i) hazardous industry;(ii) hazardous waste industry;(iii) incineration facility;(iv) land fill;(v) liquid fuel depot;(vi) offensive industry;(c) the development would not increase the gross floor area of any buildings on the land beyond a plot ratio of 1:1, calculated by reference to the area of the land as at the time of the application; and(d) the development does not consist of—<ul style="list-style-type: none">(i) the erection of a building or structure on the land with a height greater than 10m; or(ii) the alteration of any building or structure on the land at the time of the application so as to increase its height, if that height would exceed 10m after the alteration.

column 1 item	column 2 exclusion
8	<p>Development on land in a commercial area, other than land in the Civic centre area or a town centre area, if—</p> <ul style="list-style-type: none">(a) the land would, if the development is approved, be no less than 50m away from any residential area at its nearest point; and(b) if the land has been previously developed—the development would not increase the total gross floor area of all buildings on the land by more than 50%; and(c) if at the time of the application the lease permits a community use, or a use including a community use—the development would not have the effect of prohibiting a community use of the land; and(d) the development would not have the effect of permitting the use of the land for a corrections facility; and(e) if the land is within a commercial ‘E’ (corridors and office sites) area—<ul style="list-style-type: none">(i) if there is no building or structure on the land at the time of the application that has more than 4 storeys—the development would not result in any building or structure on the land having more than 4 storeys; and(ii) if there is a building or structure on the land at the time of the application that has more than 4 storeys—the development would not result in any increase in the height of such a building or structure, or in any other building or structure on the land having more than 4 storeys; and

column 1 item	column 2 exclusion
	<ul style="list-style-type: none">(iii) if the land is within a corridor precinct specified in part B2E of the plan—the development would result in the setback of any proposed new building being no less than 10m from the front boundary; and(f) if the land is within a Group Centre area if—<ul style="list-style-type: none">(i) if there is no building or structure on the land at the time of the application that has more than 2 storeys—the development would not result in any building or structure on the land having more than 2 storeys; and(ii) if there is a building or structure on the land at the time of the application that has more than 2 storeys—the development would not result in any increase in the height of such a building or structure, or in any other building or structure on the land having more than 2 storeys; and(g) if the land is within a local centre area, if—<ul style="list-style-type: none">(i) there is no building or structure on the land at the time of the application that has more than 2 storeys; and(ii) the development would not result in any building or structure on the land having more than 2 storeys; and(iii) if the lease currently permits the use of the land for a shop, or a use including the use of the land for a shop—the development would not have the effect of prohibiting the use of the land for a shop; and

R21 21/04/06	Land (Planning and Environment) Regulation 1992 Effective: 21/04/06-25/05/06

column 1 item	column 2 exclusion
15	Demolition of a building or structure in connection with a development listed elsewhere in this schedule consisting of the erection or alteration of a building or structure.
16	A development by or on behalf of the Territory that consists of the construction, alteration, demolition or removal of— <ul style="list-style-type: none">(a) electricity, water, gas or communication services; or(b) a floodway or sewerage or drainage works; or(c) a public road, public path, cycleway or car park.
17	The construction, alteration, demolition or removal of public facilities on unleased territory land, including barbecues, seating or playground equipment, or related landscaping.
18	Variation of a lease solely to permit a development mentioned in another item of this schedule.
19	Installation, alteration or removal of an externally mounted photovoltaic panel.
20	Installation, alteration or removal of an externally mounted solar water heater.
21	Installation, alteration or removal of an externally mounted airconditioning unit.

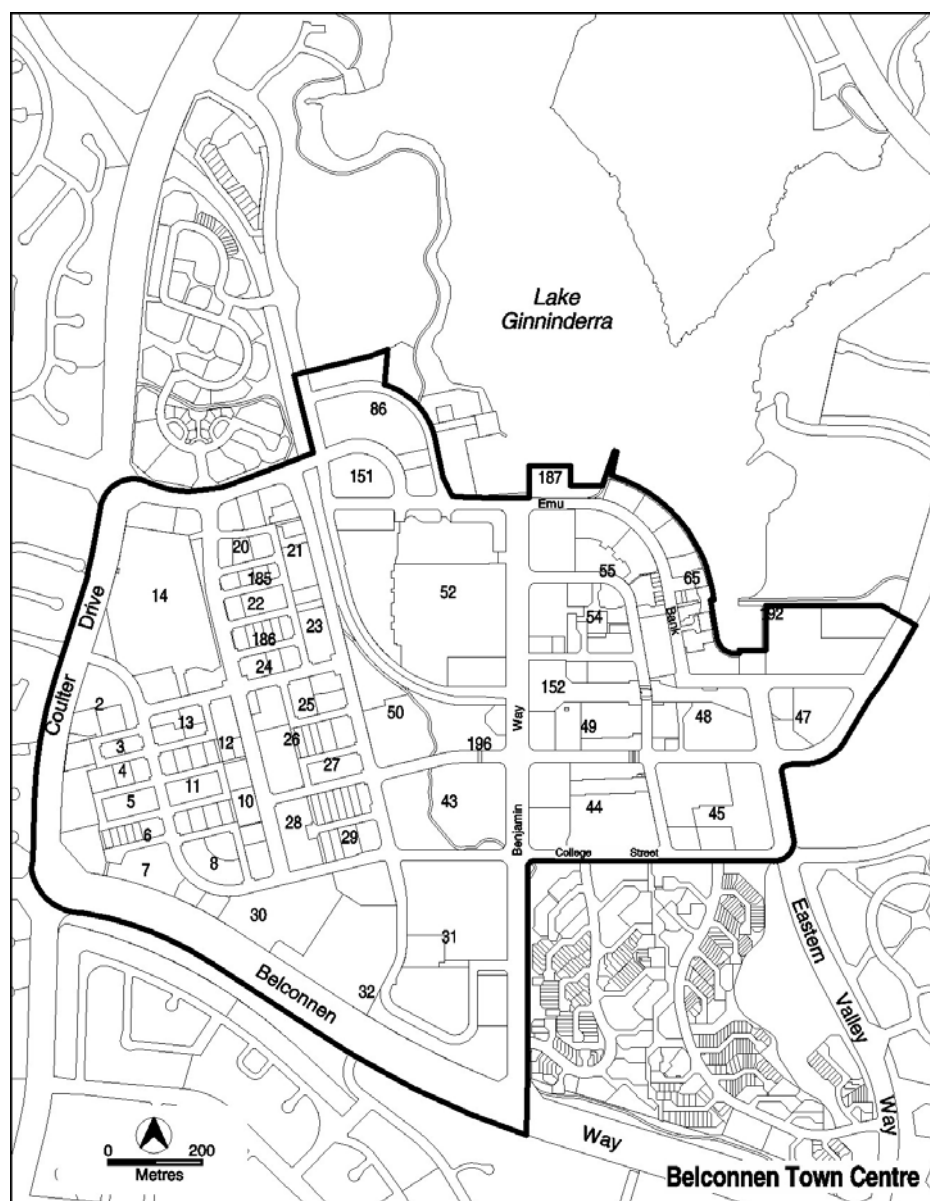

Schedule 8 Civic centre area and town centre areas

(see dict)

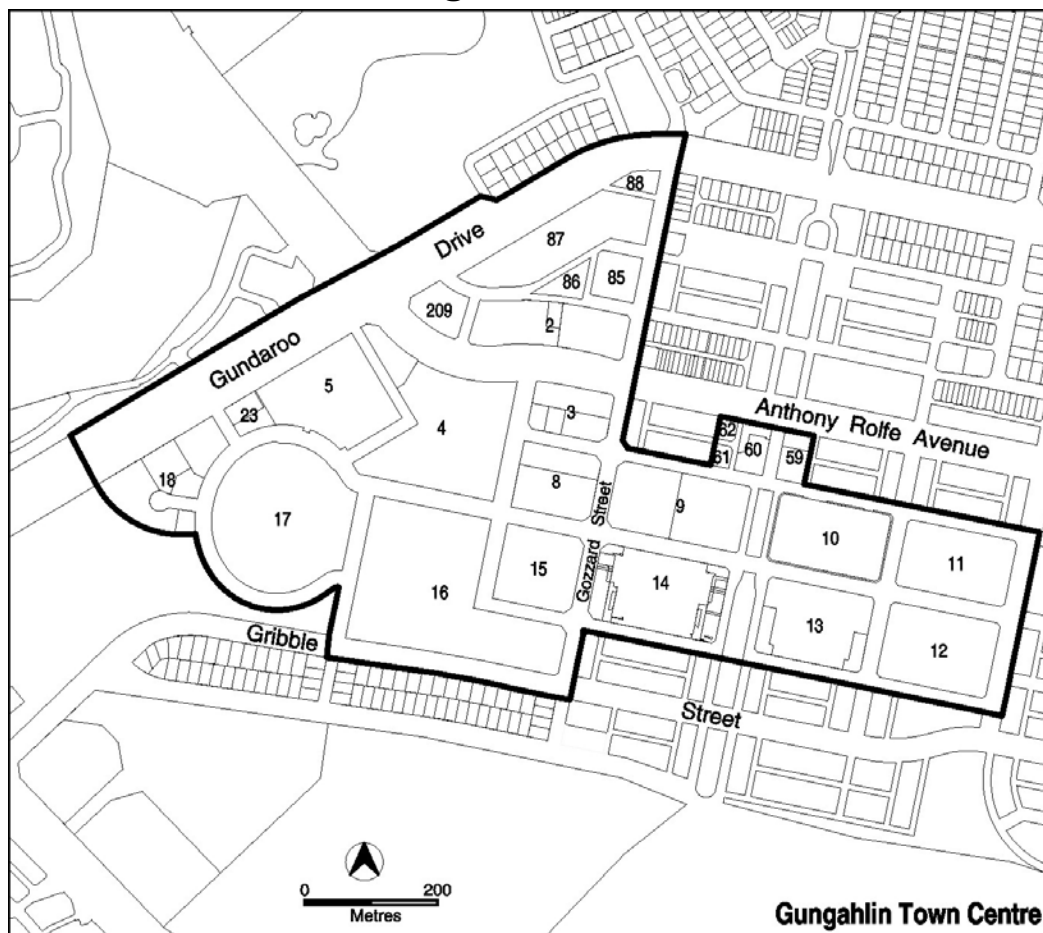

Part 8.1 Civic centre area

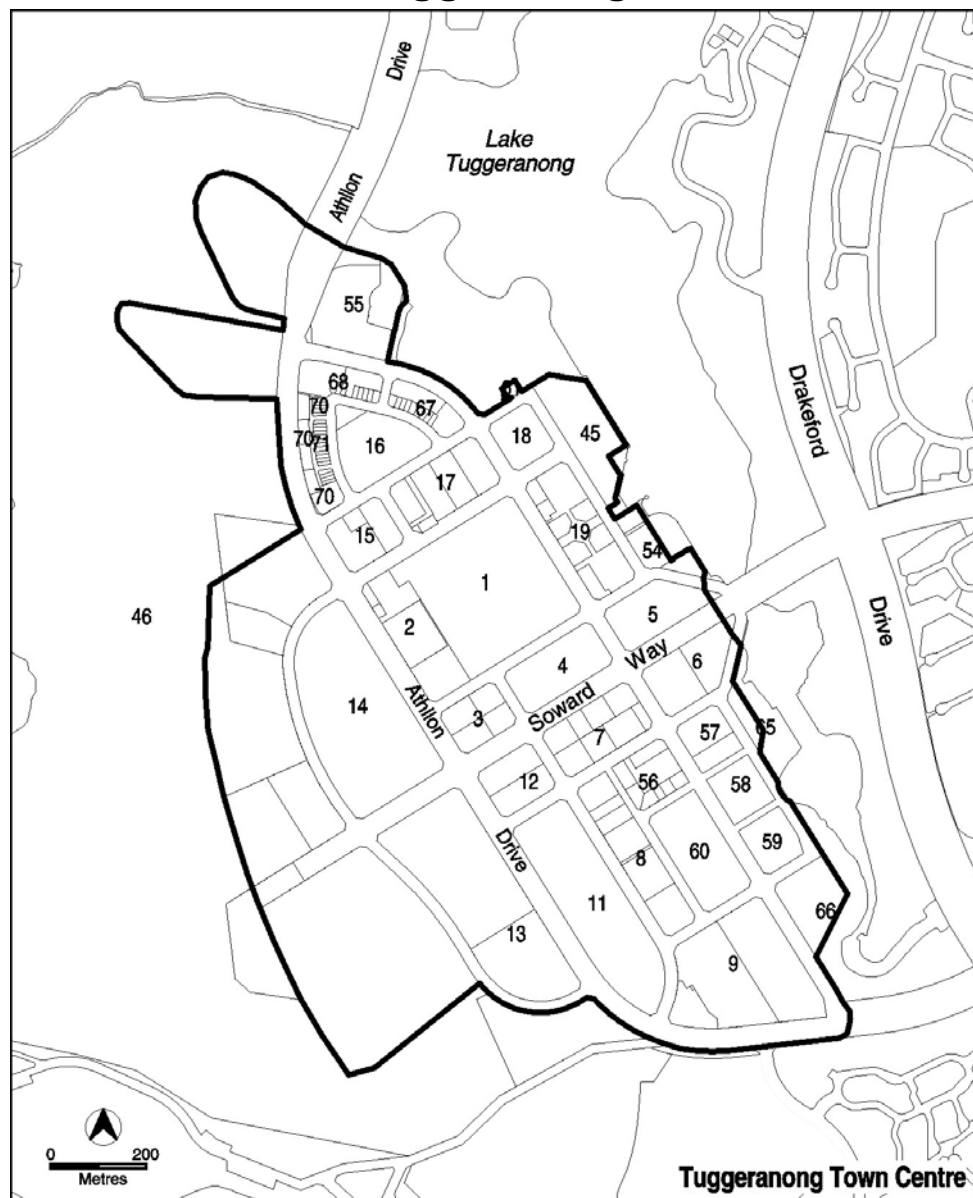

Part 8.2 Belconnen town centre area

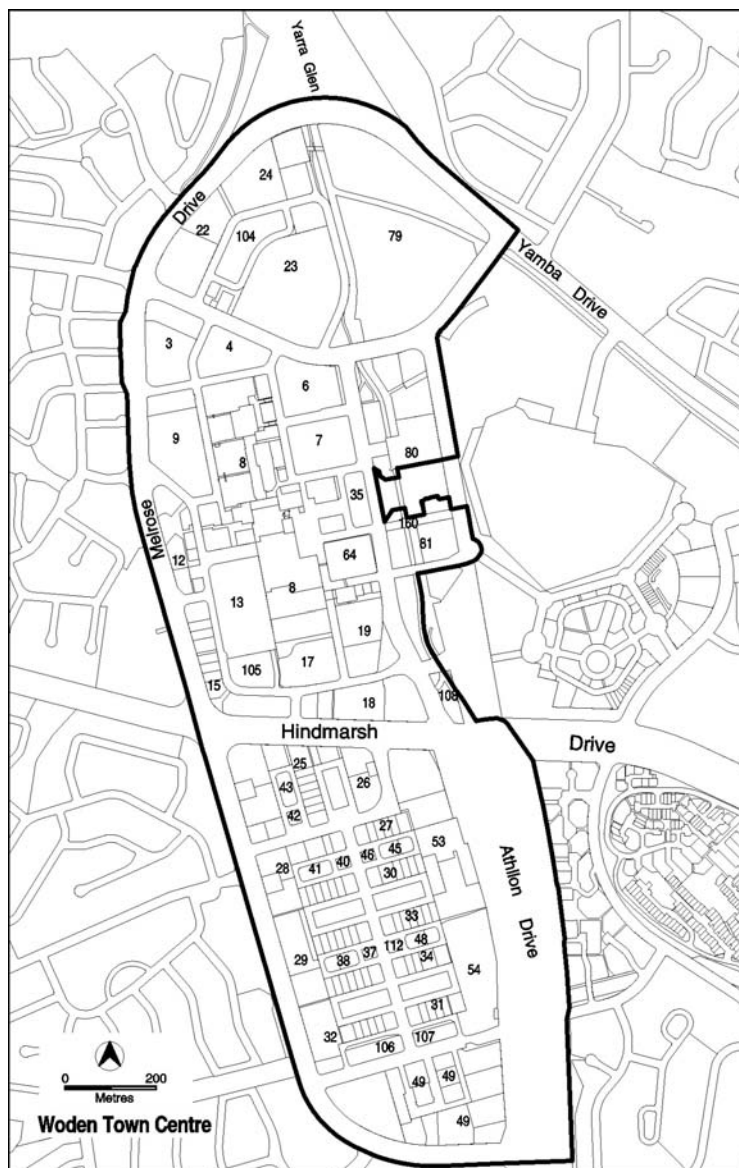

Part 8.3 Gungahlin town centre area

Part 8.4 Tuggeranong town centre area

Part 8.5 Woden town centre area

Dictionary

(see s 2)

Note 1 The Legislation Act contains definitions and other provisions relevant to this regulation.

Note 2 For example, the Legislation Act, dict, pt 1, defines the following terms:

- business day
- land and planning authority
- territory land.

Note 3 Terms used in this regulation have the same meaning that they have in the *Land (Planning and Environment) Act 1991* (see Legislation Act, s 148.) For example, the following terms are defined in the *Land (Planning and Environment) Act 1991*, dict:

- concessional lease (see s 159A)
- Environment Minister
- land management agreement
- newspaper
- plan.

added value—

- (a) for division 3.2 (Variation of leases)—see section 15; and
- (b) for division 3.3 (Consolidation and subdivision)—see section 27.

adjoining, in relation to a parcel of land that is proposed to be the subject of a development, means abutting the parcel, or separated from it only by a road, reserve, river, watercourse, or any similar division.

Belconnen town centre area means the area outlined in bold on the plan in schedule 8, part 8.2.

change of use charge—

- (a) for division 3.2 (Variation of leases)—see section 15; and

- (b) for division 3.3 (Consolidation and subdivision)—see section 27.

Civic centre area means the area outlined in bold on the plan in schedule 8, part 8.1.

community use includes the uses defined as such in the plan, but is not limited to those uses.

consolidated lease—

- (a) for division 3.2 (Variation of leases)—see section 15; and
(b) for division 3.3 (Consolidation and subdivision)—see section 27.

consolidation—see the Act, section 159.

development—see the Act, section 222.

exempt building or structure means—

- (a) a retaining wall that does not exceed 1m in height; or
(b) a carport—
 (i) the plan area of which does not exceed 25m², and
 (ii) the height of which does not exceed 3m; or
(c) a pergola—
 (i) for a roofed pergola—the plan area of which does not exceed 25m², and that does not project above the line of any adjacent guttering; and
 (ii) in any case—the height of which does not exceed 3m; or
(d) a shed, gazebo, greenhouse or similar structure—
 (i) the plan area of which does not exceed 10m²; and

- (ii) the height of which does not exceed 3m; or
- (e) an external deck, terrace or landing, or external stairs, the height of which does not exceed 1m; or
- (f) an antenna or aerial (other than a satellite dish, or microwave antenna, that is for receiving purposes only) the height of which does not exceed 5m; or
- (g) a swimming pool the capacity of which does not exceed 10m³ that is designed to be installed above ground level; or
- (h) an outdoor ornamental pond the depth of which does not exceed 300mm; or
- (i) a barbecue or other structure—
 - (i) the plan area of which does not exceed 2m²; and
 - (ii) the height of which does not exceed 1.8m; or
- (j) a water tank—
 - (i) the capacity of which does not exceed 17kL; and
 - (ii) the height of which does not exceed 2.4m.

further lease—

- (a) for division 3.2 (Variation of leases)—see section 15; and
- (b) for division 3.3 (Consolidation and subdivision)—see section 27.

Gungahlin town centre area means the area outlined in bold on the plan in schedule 8, part 8.3.

height, in relation to a building or structure, means the vertical distance from natural ground level to the highest point of the building or structure.

industrial area means an area designated as industrial by the territory plan (see the territory plan, part B3).

lease, over the largest parcel of land—

- (a) for division 3.2 (Variation of leases)—see section 15A; and
- (b) for division 3.3 (Consolidation and subdivision)—see section 27A.

lease and development condition, for a lease, means a condition, other than a condition contained in the lease or an agreement collateral to the lease, that—

- (a) was approved by the Territory when the lease was granted; and
- (b) relates to the development or use of the land that is subject to the lease.

local centre means an area of land designated by the territory plan as a Local Centre (Commercial ‘D’).

market value—see the Act, section 159.

minor development means a development in relation to land that a reasonable person would consider to be of a minor nature, having regard to the following matters:

- (a) the views to and from the adjoining land;
- (b) the overshadowing of the adjoining land;
- (c) the privacy of the adjoining land;
- (d) the likelihood of the adjoining land being detrimentally affected by noise at the time the development is carried out or at any time in the future;
- (e) the local streetscape;
- (f) any other potential loss of amenity;
- (g) the nature, scale and any possible environmental effects of the development, including potential pollution of any sort;
- (h) any further criteria determined by the Minister in writing.

minor landscape works means landscaping consisting of a minor development involving tree, shrub or ground cover planting or removal, grassing, paving, earthworks, drainage works, batter treatment, irrigation or erosion control, if the development does not affect an area of remnant native grassland greater than 0.5ha.

public street—see the *Road Transport (Safety and Traffic Management) Act 1999*, dictionary, definition of **road**.

rear boundary means a boundary that is not a front boundary and does not meet a front boundary.

regranted lease—

- (a) for division 3.2 (Variation of leases)—see section 15; and
- (b) for division 3.3 (Consolidation and subdivision)—see section 27.

relevant authority—see the Act, section 222.

reticulated services means—

- (a) electricity, water, drainage, gas, communications or similar services the provision of which allows for direct access to and use of the services by the occupiers of individual parcels of land; or
- (b) mobile telecommunications services.

rural lease—see the Act, section 159.

service station lease means a lease of land that provides that the land is to be used predominantly for the purpose of a service station, whether it is referred to as a service station, motor service station or in any other way.

side boundary means a boundary that meets a front boundary.

subdivided lease—

- (a) for division 3.2 (Variation of leases)—see section 15; and

(b) for division 3.3 (Consolidation and subdivision)—see section 27.

subdivision—see the Act, section 159.

town centre area means the Belconnen town centre area, the Gungahlin town centre area, the Tuggeranong town centre area or the Woden town centre area.

Tuggeranong town centre area means the area outlined in bold on the plan in schedule 8, part 8.4.

variation—see the Act, section 223.

Woden town centre area means the area outlined in bold on the plan in schedule 8, part 8.5.

Endnotes

1 About the endnotes

Endnotes

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws and expiries are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnote.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

3 Legislation history

This regulation was originally the *Land (Planning and Environment) Regulations*. It was renamed by the *Land (Planning and Environment) Regulations Amendment SL1999-31*, s 3 and under the *Legislation Act 2001*.

After 11 May 1989 and before 10 November 1999, a regulation commenced on its notification day unless otherwise stated (see *Subordinate Laws Act 1989* s 6).

Land (Planning and Environment) Regulation 1992 SL1992-5

notified 8 May 1992 (Gaz 1992 No S56)

commenced 8 May 1992

as amended by

Land (Planning and Environment) (Amendment) Regulations 1992 SL1992-19

notified 2 October 1992 (Gaz 1992 No S173)

commenced 2 October 1992

Land (Planning and Environment) (Amendment) Regulations 1993 SL1993-3

notified 22 January 1993 (Gaz 1993 No S12)

5 Earlier replications

Some earlier replications were not numbered. The number in column 1 refers to the publication order.

Since 12 September 2001 every authorised replication has been published in electronic pdf format on the ACT legislation register. A selection of authorised replications have also been published in printed format. These replications are marked with an asterisk (*) in column 1. Electronic and printed versions of an authorised replication are identical.
